FEBRUARY.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 4 of the Madras Forest Act for the constitution of the Nagaluttu extension block, in the Tiruppattur taluk, Salem district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from ROBERT B. CLEGG, Esq., Acting Collector and District Magistrate of Salem, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Central Circle), dated 2nd January 1899, Dis. No. 1809 :—

I have the honour to submit draft notification under section 4 for the Nagaluttu extension block, one of the blocks the retention of which was sanctioned in Government Order, No. 577, dated 6th October 1898.

2. The usual statements of area and condition of the proposed reserve, the sketch and the certificate of perambulation, &c., referred to in Board's Proceedings, No. 296, dated 26th April 1893, are also submitted.

3. The statement of villagewar statistics prescribed in Board's Proceedings, No. 459, dated 2nd October 1896, cannot be submitted for the reason contained in Tiruppattūr Extra Assistant Conservator's report, No. 227, dated 15th November 1898, copy of which is enclosed for the Board's perusal.

ENCLOSURE No. 1.

From M.R.Ry. M. RAMA RAO, Extra Assistant Conservator of Forests, Tiruppattūr, to the District Forest-officer, Salem, dated 15th November 1898, Dis. No. 227-For.

[Reference.—Your No. 148 B. and G., dated 3rd November 1898.]

I have the honour to report that the Nagaluttu proposed extension lies on the western slopes of the Yelagiri hill which has not been surveyed and mapped by the Revenue Survey Department, and as such, the village statistics called for in the above cannot be collected. The hill villages being unsurveyed, the village adangal shows only the area actually under cultivation. As the proposed block lies between the Yelagiri mittah forest and Nagaluttu reserved forest, its non-reservation will not be of much benefit to the hill villagers who have sufficient unreserve on the plateau for their purposes. I submit herewith the certificate of perambulation.

ENCLOSURE No. 2.

Certificate.

Certified that Nagaluttu extension block in Tiruppattūr taluk, in the Salem district, was selected after a personal inspection by Ranger T. Bapu Rao in December 1892, boundaries perambulated by M. Rama Rao, Extra Assistant Conservator of Forests in February 1898, and preliminarily demarcated by Ranger Jambunathasastri in 1894-95, and that the block was inspected by the Extra Assistant Conservator M. Rama Rao and demarcation checked by him on 21st, 22nd and 24th February 1898.
