MARCH.

Submitting to Government, for approval and publication in the Fort St. George Gazette, draft notification under section 16 of the Madras Forest Act for the constitution of the Khairevu block, in the Kalyandrug taluk, Anantapur district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE (LAND REVENUE).

READ—the following letter from B. MACLEOD, Esq., Collector of Anantapur, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated 9th January 1899, No. 640-For. :—

I have the honour to forward, herewith, the papers relating to the reservation of Khairevu proposed reserve, lying in the Kalyandrug taluk.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Anantapur (through the District Forest-officer, Anantapur), dated Camp Nellore, 16th December 1898, Ref. No. 196.

I have the honour to report the conclusion of the settlement of the proposed Khairevu reserve, in the Kalyandrug taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act, proposing to constitute this area into a reserved forest, appeared at page 339 of the *Fort St. George Gazette*, dated 2nd April 1895, and the proclamation under section 6 was published in the District Gazette, dated 1st July 1895. The time allowed for the presentation of claims expired on the 1st October 1895.

3. I was originally appointed to settle this block, and afterwards Mr. W. C. McMurray; but in 1896 it was retransferred to me. During my absence on privilege leave, M.R.Ry. P. S. Singaravelu Pillai Avargal was appointed Settlement-officer, and in notification published in *Fort St. George Gazette*, dated 19th October 1898, the block was again retransferred to me.

4. The block was inspected, perambulated and enquired into by me in June 1898 and sixty-eight claims were preferred for the following rights :—

- (i) Thirteen claims to sivayijamma fields.
- (ii) Seventeen claims to Government patta and inam fields.
- (iii) Twenty-one claims to rights of way to fields.
- (iv) Three claims to temples and shrines.
- (v) Three claims to rights of way to the above.
- (vi) Ten claims to six rights of way.
- (vii) One petition by the ryots of Morepalli to exclude a portion of the reserve.

The claims to sivayijamma fields involved in item No. (i) were rejected as the claimants hold no patta to the fields; but the greater portion of the land in three cases has been excluded by an alteration of the boundary of the reserve. Of the seventeen claims to Government patta and inam fields involved in item No. (ii), sixteen claims were admitted, and the remaining claim was partly admitted and partly rejected. Of those admitted, the fields in all cases except two have been excluded by an alteration of the boundary of the reserve. In the two cases in question, the field in one case has been acquired under the Land Acquisition Act, while that in the other has been demarcated out and retained as an enclosure within the reserve, free from reservation. Of the twenty-one claims to rights of way to fields involved in item No. (iii), the claims in twenty cases were rejected as unnecessary, while the remaining one was admitted.

The claims to temples and shrines and to the rights of way to them involved in items Nos. (iv) and (v) were all admitted and the temples and shrines have been ordered to be demarcated out and retained as enclosures within the reserve free from reservation.

Of the ten claims to six rights of way involved in item No. (vi), nine claims to five rights of way were admitted, while the remaining one was rejected as unnecessary; of those admitted one is a Local Fund road. A portion of this road has been excluded from the reserve by alteration of its boundary, while the remaining portion within the reserve has been excluded from reservation to a width of twenty-two yards on either side from its centre.

The petition from the ryots of Morepalli (hamlet of Kotturu a village of the Garudapuram group) to exclude a portion of the reserve was rejected as the claimants have no right to the land claimed. The available waste in Garudapuram village is 4,987 acres exclusive of porambokes and land included within the reserve, as against an occupied area of 3,100 acres held on patta and as inam, and this is evidently more than enough for all purposes.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith :—

- (i) A signed copy of the B. register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch-map of the reserve.
- (iv) The numerical statement of claims.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

6	Reddi Thimmanah and sixteen others of Morepalli (hamlet of Kotturu).	17th June 1898.	State that the cultivable lands of Apperidipalli have been included in the reserve and that as the reserve is close to the village, they will be put to much inconvenience.	Kotturu is an hamlet of Garudapuram in which the available waste is 4,987 acres exclusive of pottambokes and land included in the reserve as against an occupied area of 3,100 acres held on patta and as inam.	The District Forest-officer contests claim.	Claim rejected as the petitioners have no right to the land claimed. What they have hitherto enjoyed is the privilege of free grazing, which is revocable at the will of Government. Moreover, there is ample waste outside the reserve, viz., 4,987 acres against an occupied area of 3,100 acres; certain exclusions have, however, been made (vide claims Nos. 25 and 42) and I think that this should satisfy them. (Signed) P. SINGARAVELU, Forest Sett.-officer. 23rd August 1898.

Reserved Forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Khairevu block, in the Kalyandrug taluk, as a —, ordered to be published in the Fort St. George and the Anantapur District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ— the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 119, dated 4th March 1899:—

Read—the following letter from B. MACLEOD, Esq., Collector of Anantapur, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated 9th January 1899, No. 640-For.:—

I have the honour to forward, herewith, the papers relating to the reservation of Khairevu proposed reserve, lying in the Kalyandrug taluk.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Anantapur (through the District Forest-officer, Anantapur), dated Camp Nellore, 16th December 1898, Ref. No. 196.

I have the honour to report the conclusion of the settlement of the proposed Khairevu reserve, in the Kalyandrug taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act, proposing to constitute this area into a reserved forest, appeared at page 339 of the *Fort St. George Gazette*, dated 2nd April 1895, and the proclamation under section 6 was published in the *District Gazette*, dated 1st July 1895. The time allowed for the presentation of claims expired on the 1st October 1895.

3. I was originally appointed to settle this block, and afterwards Mr. W. C. McMurray; but in 1896 it was retransferred to me. During my absence on privilege leave, M.R.Ry. P. S. Singaravelu Pillai Avargal was appointed Settlement-officer, and in notification published in *Fort St. George Gazette*, dated 19th October 1898, the block was again retransferred to me.

4. The block was inspected, perambulated and enquired into by me in June 1898 and sixty-eight claims were preferred for the following rights:—

- (i) Thirteen claims to sivayijamma fields.
- (ii) Seventeen claims to Government patta and inam fields.
- (iii) Twenty-one claims to rights of way to fields.
- (iv) Three claims to temples and shrines.
- (v) Three claims to rights of way to the above.
- (vi) Ten claims to six rights of way.
- (vii) One petition by the ryots of Morepalli to exclude a portion of the reserve.

The claims to sivayijamma fields involved in item No. (i) were rejected as the claimants hold no patta to the fields; but the greater portion of the land in three cases has been excluded by an alteration of the boundary of the reserve. Of the seventeen claims to Government patta and inam fields involved in item No. (ii), sixteen claims were admitted, and the remaining claim was partly admitted and partly rejected. Of those admitted, the fields in all cases except two have been excluded by an alteration of the boundary of the reserve. In the two cases in question, the field in one case has been acquired under the Land Acquisition Act, while that in the other has been demarcated out and retained as an enclosure within the reserve, free from reservation. Of the twenty-one claims to rights of way to fields involved in item No. (iii), the claims in twenty cases were rejected as unnecessary, while the remaining one was admitted.

The claims to temples and shrines and to the rights of way to them involved in items Nos. (iv) and (v) were all admitted and the temples and shrines have been ordered to be demarcated out and retained as enclosures within the reserve free from reservation.

Of the ten claims to six rights of way involved in item No. (vi), nine claims to five rights of way were admitted, while the remaining one was rejected as unnecessary; of those admitted one is a Local Fund road. A portion of this road has been excluded from the reserve by alteration of its boundary, while the remaining portion within the reserve has been excluded from reservation to a width of twenty-two yards on either side from its centre.

The petition from the ryots of Morepalli (hamlet of Kotturu a village of the Garudapuram group) to exclude a portion of the reserve was rejected as the claimants have no right to the land claimed. The available waste in Garudapuram village is 4,987 acres exclusive of porambokes and land included within the reserve, as against an occupied area of 3,100 acres held on patta and as inam, and this is evidently more than enough for all purposes.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

- (i) A signed copy of the B. register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch-map of the reserve.
- (iv) The numerical statement of claims.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

B. REGISTER of claims to Lands, rights to Forest produce or easements in the proposed Khairevu reserved forest, Kalyandrug taluk, Anantapur district.

30	Reddi Thimmanah and sixteen others of Morepalli (hamlet of Kotturu).	17th June 1898.	State that the cultivable lands of Appa-reddipalli have been included in the reserve and that as the reserve is close to the village, they will be put to much inconvenience.	Kotturu is an hamlet of Garudapuram in which the available waste is 4,987 acres exclusive of poramboles and land included in the reserve as against an occupied area of 3,100 acres held on patta and as inam.	The District Forest-officer contests claim.	Claim rejected as the petitioners have no right to the land claimed. What they have hitherto enjoyed is the privilege of free-grazing, which is revokable at the will of Government. Moreover, there is ample waste outside the reserve, viz., 4,987 acres against an occupied area of 3,100 acres : certain exclusions have, however, been made (vide claims Nos. 25 and 42) and I think that this should satisfy them.
