Proceedings of the Court of Wards.

Dated 14th May — 1898.

No. 489 ^{Revenue.}
Miscellaneous.

Read the following letter from the Collector of North Arcot. Ref on C No. 2 of 96 of 23rd December 1897 and the following reference thereon of 18th January 1898.

I have the honor to forward here-
with a statement showing the circum-
stances granted by the Poligars of the Shumba
Estate, and to request that the Court
will be pleased to accord sanction
for the continuance of the Enams
referred to. The Zamindars' powers of
alienation are unquestionable under
the decision of the Privy Council —
printed at page 272 of Indian Law Report
X Allahabad and no question of

limitation, can arise, as regards such alien-
-ations - vide Court's Proceedings No. 3408 dated ^{Co. 925}
16th October 1893 Para III of the appendix. ₁₁₋₁₁₋₉₃

Reference. :- The collector is requested to
state whether Thumba is partible or impar-
-tible.

2 - The statements should have been sub-
-mitted in the forms appended to Board's
Standing order No. 216 (New Edition).

Read also the following letter from
the same officer, Ref on No ²¹_{An Est} of 96, -
dated 17th April 1898.

With reference to para 1 of the
Court of wards' Ref on C.O.D. No 13 of 98,
I have the honor to state that paras
2 and 6 of the enclosed sanad, granted
to the Poligar of Thumba Estate seem to
show conclusively that the poligar is
impartible, as no interest by right of
birth could be acquired in a property
the tenure of which was terminable,
and no interest was reserved to the
members of the family when the

permanent property was created, and
was conferred by Government on the
Poligar.

Resolution.

The continuance of the inams
in question is sanctioned, as recommend-
ed by the Collector.

2. The question whether an estate is
partible or impartible should be decided
with reference to its devolution in the past
whether before or after the permanent
Settlement. Paras 2 and 6 of the sanad
referred to by the Collector are not conclusive
proof of the impartibility of the estate.
