Statement showing the stock of stored and unstored salt at each factory is enclosed.

A statement showing the stock of stored and unstored salt at each factory is enclosed.

OFFICE OF THE BOARD OF REVENUE

(Separate Revenue)

Madras, 26th May 1898.

The Secretary to the Government of Madras, Revenue Department.

Copy to Deputy and Assistant Commissioners of Salt, Alkali and Customs Department.

The Editors (without remarks).

By Assistant Secretary to the Commissioner of Salt,

Alkali and Separate Revenue,

Madras Presidency.

Remarks.

Chingleput A. Increase in Sales is reported to be due to the reduction in the price of salt at Ganjam and to the reduced prices at inland. Decrease in Collections among the licensees. Increase in Collections is due to larger realizations on account of previous credits.

Coosabada B. Increase in Sales is attributed to the reduction in the prices of Excise salt sold at Pennaguduru, where the licensees are disposing of their old stocks salt as fast as possible, so to provide space for the salt of the current year's manufacture and (2) to reports to Calcutta which were not in the previous year. Increase in Collections is due to larger realizations on account of previous credits.

Chasulipatam C. Decrease in Sales is attributed to the sale under Sales at Manginapudi not finding favour with the trade and to their having been no sales at Pandraka owing to the closure of the Pantumilli Canal for repairs. Increase in Collections is due to larger realizations on account of previous credits.

Kellone D. Decrease in Sales is reported to be due partly to the large stocks in the hands of merchants in the interior and partly to the unfavourable character of the season. Increase in Collections is due to larger realizations on account of previous credits.

Chingleput E. Increase in Sales is attributed to the increased demand for the salt of the Madras Depot owing to the exhaustion of excise stocks in the factories of the Vengalur and Tanjore circles. Increase in Collections is due to larger realizations on account of previous credits.

Coosabada and Nagapatam Sub Divisions F & G. No variation in sales is slight and calls for no remarks. Increase in Collections is due to larger realizations on account of previous credits.

Chingleput H. Increase in Sales is reported to be due to the lightness of the salt offered for sale. Decrease in Collections is due to smaller cash sales.

Calcutta I. The sales in this sub Division vary with the nature of the season for fishing.
