Sir,

I have much pleasure in forwarding the enclosed application from Mr. Sultan Mohideen saib. 3rd Presidency Magistrate.

If the success of the requests contained in this application, should be in any way dependant on the support I am able to afford them; I would respectfully recommend their being granted in the alternative as solicited; and in favour of the first one, I would add that the Magistrate's long and practical

TO

The Secretary to Government
 Revenue Department
 Fort Saint George.

Sir,

In my letter no: 433, dated 10th Inst. I wrote to Government forwarding, with my recommendation, the application of Mr. Sultan Mohidin 4th Presidency Magistrate (and sub pro tem 3rd Presidency Magistrate) to be graded as a Deputy Collector with reference to Government Order no: 1870, Judicial, dated 30th November 1898. I have the honour now to address Government in regard to the case of the other Junior Magistrate of the

of this Court, Mr. Rajaratna Mudaliar.
He is a 5th grade Deputy Collector and has
been sub pro tem 4th Presidency Magistrate
for the last 2 years in the arrangements
consequent on the appointment of Mr.
Kuppuswami Iyer as sub pro tem Subordinate
Judge. Mr. Rajaratna Mudaliar once before
acted as Presidency Magistrate for a period
of 6 months in 1896. He has done his work,
as far as it has been under my observation,
very satisfactorily, and has diligently
coped with increasing business. As Mr.
Kuppuswami Iyer is in an appointment
which is permanently vacant, drawing the
full pay of the post, I would recommend
that Mr. Rajaratna Mudaliar be permanently
retained in his present post and permitted
to draw the allowance of Rs 100/- with
effect from the date of the Government
Order quoted above. Under the terms of

the order in question the salary of Mr.
Rajaratna Mudaliar would be Rs 400/-
i.e. Rs 300/- his pay as 5th grade Deputy Collector
plus Rs 100/- local allowance.

Despatch from the Government of India, Finance and Commerce Department (Salaries, Establishments, &c.—Law and Justice), to the Right Honourable the Secretary of State for India, dated Simla, 28th July 1898, No. 222.

We have the honour to submit, for your Lordship's consideration, a proposal which has been made by the Government of Madras for improving the position of the Junior Presidency Magistrates at Madras.

2. The pay of the appointments of third and fourth Presidency Magistrates at that place was, on the recommendation of the Finance Committee, reduced in 1887 from Rs. 800 to Rs. 350 a month each. This reduction has had the effect of narrowing very considerably the field of selection. Of late years officers of the Deputy Collector class, who have had magisterial experience, have been found most suitable for the posts, but owing to the pay being fixed the choice of such officers is confined to the 5th and 6th grades of Deputy Collectors. The Government of Madras propose, therefore, that these two appointments should be included in the Provincial Service and that two new appointments of Deputy Collectors of the 6th grade on Rs. 250 a month should be created on this account, the difference between the pay of the new appointments and that of the present third and fourth Presidency Magistrates, viz., Rs. 100 a month, being given in the form of a local allowance to each of the Deputy Collectors selected. This arrangement would enable the third and fourth Presidency Magistrates to rise from grade to grade among the Deputy Collectors in the ordinary course.

3. Under existing orders * the offices of Presidency Magistrates are treated as

* *Vide* correspondence ending with Lord Kimberley's Judicial despatch No. 35, dated the 25th August 1892.

entirely outside the Provincial Service, though an officer of that service may be appointed to be a Presidency Magistrate, if such a course appears to be desirable in the public interests. We are, however, of opinion that the general objections to the inclusion in the Provincial Service of the appointments of Presidency Magistrates do not apply to the posts of third and fourth Presidency Magistrates at Madras. Though

technically a Presidency town, Madras does not bear the same cosmopolitan character as Calcutta and Bombay. European Magistrates are, therefore, less urgently required in Madras and the third and fourth Presidency Magistrates there are usually engaged in cases in which natives are concerned on both sides. Moreover the pay, Rs. 350, is not sufficient to attract capable men from the Bar. It appears to us that it would tend considerably to administrative convenience if the selection of officers for the posts of third and fourth Presidency Magistrates at Madras could be made from any grade of Deputy Collectors instead of being restricted as at present to the 5th and 6th grades or to persons not in the Provincial Service who would consent to accept the existing rates of pay. The proposal does not involve any extra expenditure and will in fact ultimately result in a slight saving as the local allowances will not count towards pension.

4. We accordingly recommend the proposal of the Government of Madras for your Lordship's sanction.

Despatch from the Right Hon'ble Lord GEORGE HAMILTON, Her Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 6th October 1898, No. Public/143.

Having considered in Council the financial letter of your Excellency's Government, No. 222, of the 28th July, I sanction the proposal therein submitted for improving the position of the Junior Presidency Magistrates at Madras whereby, for the future, the appointment of third and fourth Presidency Magistrates will be included in the Provincial Service and two new appointments of Deputy Collectors of the 6th grade, on Rs. 250 a month, will be created on that account, the difference between the pay of the new appointments and that of the present third and fourth Presidency Magistrates, viz., Rs. 100 a month, being given in the form of a local allowance to each of the Deputy Collectors selected.

Ordered, that a copy be forwarded to the Home Department, in continuation of endorsement No. 3252-Ex., dated the 28th July 1898.

Dy Collectors are primarily Revenue Officers while Pres^{ts} Magistrates are not so. Aiyar's confirmation as a
 Subjudge is one for consid-
 eration in the Judicial Dept.
 what has ^{first} to be considered
 in the R.D. is, if both or
 either of them are to be taken
 on the Dy. Collector list,
 to which grade they should
 be appointed. Their present
 pay is Rs 350 while there
 is no corresponding grade
 in the Dy. Collector list—
 the pay attached to the 4th
 grade being Rs 400 and that
 to the 5th grade Rs 300. The
 Secy of State has sanctioned
 only the creation of two
 appointments in the last
 grade of Dy. Collector (on Rs 250)
 and the two can therefore
 be appointed only to that
 Grade unless there are two
 vacancies in the higher
 Grades. If they are ap-
 pointed to the last grade
 they will no doubt be getting
 Rs 350 which they have
 hitherto been drawing but
 this

the amount will be made up of Rs 250 pay and Rs 100 local allowance, the latter of which is not taken into account in calculating their pension and which they may therefore consider to be a hardship. A further difficulty which will arise if this be now done is that the Acting 3rd Pres^y Magistrate Sultan Mubhi-ud-din Sahib will be drawing only Rs 350 while the Officer who acts for him as 4th Pres^y Magistrate, P. Rajaratnam Mudaliar, being already in the 5th grade of Dist Collector (pay Rs 300) would be getting ~~only~~ Rs 400.

4. If on the other hand it be thought that that both Kuppaswami Aiyar and Sultan Mubhi-ud-din Sahib should be given Dy Collectors' appointments on Rs 400 or Rs 300 there is only ^{permanent} one vacancy now (please see linked file) and both cannot at

need with

at once be appointed Dy Collector in higher grades. To avoid this hardship (if it be considered real) referred to in the above para and the anomaly of having a 3rd Pres^y Magistrate drawing less pay than the 4th, and if the new scheme is to be given effect to at once, the only course, unless Kuppaswami Aiyar is immediately confirmed as Subjudge, appears to be to appoint him as a Dy Collector on Rs 400 or Rs 300, to take Sultan Mubhi-ud-din Sahib, for the present as a Dy Collector on Rs 250 and give him sub pro tem 400 or 300 vice Kuppaswami Aiyar, and to confirm Sultan Mubhi-ud-din Sahib in his sub-pro tem Grade ^{at} when the first permanent vacancy. 5. As regards the question, to which grade of Dy Collector the Presidency Magistrate

magistrates should be ap-
pointed, Attention is solicited
to a memorial which ~~has~~^{was}
~~been~~ presented by Sultan
Mirhi-ud-din Sahib to H.E.
the Governor in May last
and which has been sent
under H.E.'s orders for consi-
deration when the time arrives.

The scheme can therefore be given effect to from 1st April next if Sultan Mubiddin Sahib is made a Dy collector in one of the vacancies which will exist on that date. He has passed all the tests for app't as a Dy collector but, if app'd, will have to pass, unless specially exempted, the Dy collector vernacular test in 2 languages.

It is presumed that when this is done, Sultan Mubiddin & P. Rajaratna Mudali will continue to be posted as 3rd & 4th Mess magis respectively. They will then get Rs 100 la. in addition to their grade pay. Rajaratna Mudali

is a Dy collector 5th grade (Rs 300)

He stands at present 10th in his grade there are now 3 permit & 10th vacancies & some as they arise.

of his senior in the grade have been marked to be passed over. So Rajaratna Mudali is something Rs 400 8^{pt} at all events.

This has some bearing on the question as to the grade, & rank in that grade, of Dy collector to which Sultan Mubiddin should be app'd. He joined the service of the Govt on the 24th April 1867. He has therefore nearly 32 years service. His age is nearly 53. He was conferred 4th Mess magis (Rs 350) on the 6. Oct 1888 & has acted at intervals both as 3rd Mess magis (same pay) & as 2nd Mess magis (Rs 800). Had Sultan Mubiddin been made a Dy collector (6th - lowest grade) in Oct 1888, he wd probably not have stood in the 4th class (Rs 400) just to No 27, A. Prabalanda & No 28 T. J.

Nadham Paululu. He gets
 only Rs 350 now all told;
 but he could hardly with
 fairness be put into either
 the 6th grade (Rs 250) or
 into the 5th grade (Rs 300)
 of Dg Collectors; for tho' he
 wd get in all, in the one
 case, Rs 350 & in the
 other Rs 400, yet the
 extra Rs 100 wd not
 count towards his pension
 now not so very far off
 and he would get less than
 his junior among the
 Messy masts. P Rajaratna
 Mudalai. The 4th grade
 on Rs 400, seems therefore
 the grade into which
 he may best be put. As
 regards his place in that
 grade it has been noted
 above that had he been
 made a permit Dg collector
 6th grade in Oct 1888
 (when he was confirmed
 as Messy master) he wd
 stand below A. Prabalanaidam
 & just above P. Rajanatham Paululu.

but it is submitted, that
 Sultan Muthiuderi, if appd
 to the 4th grade of Dg Collectors
 at all, will gain very greatly
 for he will henceforth
 count a pay of Rs 400 a
 month towards pension
 (instead of Rs 350 as at
 present) & will draw a
 salary of Rs 500 per m.
 (instead of Rs 350 as at
 present). If he is placed
 between Nos 27 & 28, just
 mentioned, he will further
 stand for spt. promotion vice
 Venkataramedas Nayudu (gone to
 foreign service) to the
 3rd grade which will
 give him Rs 500 + Rs 100
 or Rs 600 & this will be
 at the expense of the
 next eligible Dg collector
 above whom he is placed.
 As Sultan Muthiuderi
 is nearly 53, & will there-
 fore retire or be retired within
 the next 3 or 4 years, he
 might be placed at a

In the first place it is sub-
mitted that he may fairly
be put in that grade.

As to his position in that
grade the question is more difficult.
The object of the grading is
to give Mr. Khuddin the same
chances of ~~advancement~~ coming
in the next salary as
D.C.s of equal standing &
merit. #

Sultan Khuddin was
conferred as a 1st class as
Rs 350 in 1888. If at that
time he had entered the D.C.
list as future 1st class will
at the bottom in Rs 250 be
10th. Probably now have
been of the standing of no.
28 or 29 in the general list.

The question is whether he
can be put up so far. He
has had the advantage ^{over} his
contemporaries of having
missed the Rs 250 grade
& there are several men
below 28 & 29 who would feel
much aggrieved at their

of the next higher grade being affected by the placing of an order above them.

I would therefore be disposed to recommend that he put not higher than just above L Swarnikannu no 38 who is only 33 years of age, who entered the public service only in 1888 the year in which Sultan Kunhiddin was made a D.C. before, who did not become a D.C. till 1892, or if that is thought inadvisable he may be put immediately above Woombes (no 40) who ~~from the P.S. office~~ was appointed straight from the P.S. office high up in the D.C. list. As he superseded a large no. of D.Cs he cannot well object to Sultan Kunhiddin's getting similar promotion.

Sultan Kunhiddin is nearly 53 years of age but appears to be a man of strong physique.

Despatch from the Government of India, Finance and Commerce Department (Salaries, Establishments, &c.—Law and Justice), to the Right Honourable the Secretary of State for India, dated Simla, 28th July 1898, No. 222.

We have the honour to submit, for your Lordship's consideration, a proposal which has been made by the Government of Madras for improving the position of the Junior Presidency Magistrates at Madras.

2. The pay of the appointments of third and fourth Presidency Magistrates at that place was, on the recommendation of the Finance Committee, reduced in 1887 from Rs. 800 to Rs. 350 a month each. This reduction has had the effect of narrowing very considerably the field of selection. Of late years officers of the Deputy Collector class, who have had magisterial experience, have been found most suitable for the posts, but owing to the pay being fixed the choice of such officers is confined to the 5th and 6th grades of Deputy Collectors. The Government of Madras propose, therefore, that these two appointments should be included in the Provincial Service and that two new appointments of Deputy Collectors of the 6th grade on Rs. 250 a month should be created on this account, the difference between the pay of the new appointments and that of the present third and fourth Presidency Magistrates, viz., Rs. 100 a month, being given in the form of a local allowance to each of the Deputy Collectors selected. This arrangement would enable the third and fourth Presidency Magistrates to rise from grade to grade among the Deputy Collectors in the ordinary course.

3. Under existing orders * the offices of Presidency Magistrates are treated as entirely outside the Provincial Service, though an officer of that service may be appointed to be a Presidency Magistrate, if such a course appears to be desirable in

the public interests. We are, however, of opinion that the general objections to the inclusion in the Provincial Service of the appointments of Presidency Magistrates do not apply to the posts of third and fourth Presidency Magistrates at Madras. Though technically a Presidency town, Madras does not bear the same cosmopolitan character as Calcutta and Bombay. European Magistrates are, therefore, less urgently required

in Madras and the third and fourth Presidency Magistrates there are usually engaged in cases in which natives are concerned on both sides. Moreover the pay Rs. 350, is not sufficient to attract capable men from the Bar. It appears to us that it would tend considerably to administrative convenience if the selection of officers for the posts of third and fourth Presidency Magistrates at Madras could be made from any grade of Deputy Collectors instead of being restricted as at present to the 5th and 6th grades or to persons not in the Provincial Service who would consent to accept the existing rates of pay. The proposal does not involve any extra expenditure and will in fact ultimately result in a slight saving as the local allowances will not count towards pension.

4. We accordingly recommend the proposal of the Government of Madras for Your Lordship's sanction.

Having considered in Council the financial letter of Your Excellency's Government, No. 222, of the 28th July, I sanction the proposal therein submitted for improving the position of the Junior Presidency Magistrates at Madras whereby, for the future, the appointment of third and fourth Presidency Magistrates will be included in the Provincial Service and two new appointments of Deputy Collectors of the 6th grade, on Rs. 250 a month, will be created on that account, the difference between the pay of the new appointments and that of the present third and fourth Presidency Magistrates, viz., Rs. 100 a month, being given in the form of a local allowance to each of the Deputy Collectors selected.
