PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from V. A. BRODIE, Esq., Collector of Gódávari, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle, Vizagapatam), dated Camp, Cocanada, 24th January 1899, Dis. No. 49-For.:—

I have the honour to enclose letter, R.C. No. 35 of 1898-99, dated 16th December 1898, with four enclosures from the Forest Settlement-officer, Ganjám, &c., districts, regarding the settlement of Papikonda reserve, in the Polavaram division, and to request that the Board may be pleased to forward the same to Government for publication of the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette* after approval.

2. The draft notification and the sketch-map have been countersigned by my District Forest-officer in token of his having checked them.

3. The usual area statement is enclosed.

4. The date from which reservation is to take effect may be fixed at 1st April 1899.

ENCLOSURE No. 1.

From W. F. BATEMAN, Esq., Forest Settlement-officer, Ganjám, &c., Districts, to the Collector of Gódávari, dated Waltair, 12th December 1898, R.C. No. 35 of 1898-99.

I have the honour to report the conclusion of the settlement of the Papikonda reserve of Yernagudem taluk, Gódávari district.

2. The notification under section 4 proposing to constitute this area a reserved forest appeared in the *Fort St. George Gazette*, dated 1st November 1890, and the proclamation under section 6 was published in the District Gazette, dated 1st December 1890.

3. The block was originally notified for settlement in the name of M.R.Ry. D. Jagannatha Rao Pantulu and was subsequently transferred to Messrs. J. T. Lever, R. H. L. Lushington, E. A. Smith, R. H. L. Lushington again and finally it was transferred to me in the *Fort St. George Gazette* Notification No. 451, dated 4th October 1898. Mr J. T. Lever perambulated the block and enquired into and disposed of two claims in 1894 and 1895. Mr. R. H. L. Lushington entertained and disposed of two claims in 1897 and I entertained and disposed of seven claims in the month of October 1898. Eleven claims in all were filed, one claim was to right over 24,000 acres of zamindari land which was admitted and one claim to 9,000 acres of mokhasa land was also admitted. The lands measuring 24,000 and 9,000 acres, respectively, were excluded from the reserve by altering its boundary. The decision on the former claim was not appealed against by the District Forest-officer, but he appealed against the Forest Settlement-officer's decision on the latter claim in the District Court, Gódávari, and subsequently withdrew his appeal. One claim to a podu land of Guddigudem, measuring 12·00 acres was admitted and the land acquired under the Land Acquisition Act. Five claims were to rights of way over nine foot-paths which were admitted. Three claims to four villages were admitted; of these the villages of Ravigudem and Tiyyamamidi were clubbed to form one enclosure. The four villages were demarcated out free from reservation and retained as three enclosures within the reserve with sufficient area for extension of cultivation and access provided to them by means of foot-paths. The last claim was disposed of on 12th October 1898 and the appeal time expired on 11th December 1898 when the block papers were taken in hand and disposed of.

4. The block is free of all rights except those mentioned above.

5. The following papers are sent herewith:—

(*a*) A signed copy of B. Register of claims.
(*b*) Draft notification under section 16.
(*c*) Numerical statement of claims filed and disposed of.
(*d*) Sketch of the block.

6. The date from which reservation is to take effect may be entered in the draft notification.

Enclosure No. 1.

From W. F. BATEMAN, Esq., Forest Settlement-officer, Ganjám, &c., Districts, to the Collector of Gódávari, dated Waltair, 12th December 1898, R.C. No. 35 of 1898-99.

I have the honour to report the conclusion of the settlement of the Papikonda reserve of Yernagudem taluk, Gódávari district.

2. The notification under section 4 proposing to constitute this area a reserved forest appeared in the *Fort St. George Gazette*, dated 1st November 1890, and the proclamation under section 6 was published in the District Gazette, dated 1st December 1890.

3. The block was originally notified for settlement in the name of M.R.Ry. D. Jagannatha Rao Pantulu and was subsequently transferred to Messrs. J. T. Lever, R. H. L. Lushington, E. A. Smith, R. H. L. Lushington again and finally it was transferred to me in the *Fort St. George Gazette* Notification No. 451, dated 4th October 1898. Mr J. T. Lever perambulated the block and enquired into and disposed of two claims in 1894 and 1895. Mr. R. H. L. Lushington entertained and disposed of two claims in 1897 and I entertained and disposed of seven claims in the month of October 1898. Eleven claims in all were filed, one claim was to right over 24,000 acres of zamindari land which was admitted and one claim to 9,000 acres of mokhasa land was also admitted. The lands measuring 24,000 and 9,000 acres, respectively, were excluded from the reserve by altering its boundary. The decision on the former claim was not appealed against by the District Forest-officer, but he appealed against the Forest Settlement-officer's decision on the latter claim in the District Court, Gódávari, and subsequently withdrew his appeal. One claim to a podu land of Guddigudem, measuring 12·00 acres was admitted and the land acquired under the Land Acquisition Act. Five claims were to rights of way over nine foot-paths which were admitted. Three claims to four villages were admitted; of these the villages of Ravigudem and Tiyyamamidi were clubbed to form one enclosure. The four villages were demarcated out free from reservation and retained as three enclosures within the reserve with sufficient area for extension of cultivation and access provided to them by means of foot-paths. The last claim was disposed of on 12th October 1898 and the appeal time expired on 11th December 1898 when the block papers were taken in hand and disposed of.

4. The block is free of all rights except those mentioned above.

5. The following papers are sent herewith :—

(*b*) Draft notification under section 16.
