MARCH.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Valluvappakkam block, in the Madurántakam taluk, Chingleput district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from M.R.Ry., K. GANAPAIYA Garu, Forest Settlement-officer, Chingleput, &c., Districts, to the Collector of Chingleput, dated Camp, Kurichi, 3rd December 1898, C.R. No. 1774 :—

I have the honour to report the conclusion of the settlement of the proposed Valluvappakkam reserved forest, block No. 130, in the Madurántakam taluk, of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 14th December 1897, and the proclamation under section 6 was published in the District Gazette Supplement, dated 2nd April 1898.

3. The block was perambulated, inspected and inquired into by me in April 1898, and eighteen claims in all were filed for the following rights :—

(i) Seven claims to right of way over one cart-track and three foot-paths ;

(ii) Three claims to Government patta and inam rights over 14·91 acres of land ;

(iii) Six claims to right to temple, vacant space around it and right of way to it ; and

(iv) Two claims to miscellaneous rights.

4. The claims involved in items (i), (ii), five claims in item (iii) and one claim in item (iv) were fully admitted ; one claim involved in item (iii) was partly admitted and partly rejected and the remaining one claim was fully rejected.

5. The last claim was disposed of on the 21st May 1898 and the appeal time expired on the 20th July 1898 without any appeal being filed, but the final report could not be submitted earlier as the lands in claims Nos. 1, 2 and 16 had to be acquired. The awards under the Land Acquisition Act were passed on the 26th ultimo.

6. The block is thus free of all rights except those admitted above.

7. The following are sent herewith :—

(*a*) B. Register of claims ;

(*b*) Draft notification under section 16 ;

(*c*) Numerical statement of claims filed and disposed of ; and

(*d*) Sketch of the block.

8. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

9. I beg to bring to the notice of the Board and Government the necessity of allowing the right to clear a channel involved in claim No. 3 as a concession as it has been rejected as a right.

The initial notification of the block was approved in G.O. 1018 6.12.97 and its relention was previously sanctioned in G.O 283 dated 23.6.96

2 In the decision on Claim No 13 the Forest Settlement officer disallowed right ~~to~~ on behalf of the worshipper (in the temple claimed in claim No. 10) to occupy a house recently built by him without permission. If it is thought that the occupation of the house should be allowed as a privilege by departmental order, a para may be added to the draft order submitted on the docket of the Current.

3 In para 4 of his endorsement dated 5.1.99, the Collector states that the necessary permission will be granted to clear the channel brought to notice in para 9 of the F.S.O's report; no mention of this has therefore been made in the draft order submitted.

Reserved Forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Valluvappakkam block, in the Madurántakam taluk, as a —, ordered to be published in the Fort St. George and the Chingleput District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 111, dated 2nd March 1899 :—

Read—the following letter from M.R.Ry., K. GANAPAIYA Garu, Forest Settlement-officer, Chingleput, &c., Districts, to the Collector of Chingleput, dated Camp, Kurichi, 3rd December 1898, C.R. No. 1774 :—

I have the honour to report the conclusion of the settlement of the proposed Valluvappakkam reserved forest, block No. 130, in the Madurántakam taluk, of your district.

2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 14th December 1897, and the proclamation under section 6 was published in the District Gazette Supplement, dated 2nd April 1898.

3. The block was perambulated, inspected and inquired into by me in April 1898, and eighteen claims in all were filed for the following rights :—

(i) Seven claims to right of way over one cart-track and three foot-paths ;

(ii) Three claims to Government patta and inam rights over 14·91 acres of land ;

(iii) Six claims to right to temple, vacant space around it and right of way to it ; and

(iv) Two claims to miscellaneous rights.

4. The claims involved in items (i), (ii), five claims in item (iii) and one claim in item (iv) were fully admitted ; one claim involved in item (iii) was partly admitted and partly rejected and the remaining one claim was fully rejected.

5. The last claim was disposed of on the 21st May 1898 and the appeal time expired on the 20th July 1898 without any appeal being filed, but the final report could not be submitted earlier as the lands in claims Nos. 1, 2 and 16 had to be acquired. The awards under the Land Acquisition Act were passed on the 26th ultimo.

6. The block is thus free of all rights except those admitted above.

7. The following are sent herewith :—

(*a*) B. Register of claims ;

(*b*) Draft notification under section 16 ;

(*c*) Numerical statement of claims filed and disposed of ; and

(*d*) Sketch of the block.

8. The date in the draft notification is left blank. Two months' time will be necessary to have it duly published as required by the Act.

9. I beg to bring to the notice of the Board and Government the necessity of allowing the right to clear a channel involved in claim No. 3 as a concession as it has been rejected as a right.
