The Executive Engineer
South Arcot

Dated 24th April 1898.

With reference to your letter No. 74 R.D. dated 30th ultimo I have the honour to request you to be good enough to inform me whether you have received any orders from the Superintending Engineer. If not will you kindly apply to him for very early reply, as the present office of the Stationary Submagistrate is actually tumbling down and the old District Munsiff's Court to which I am anxious to move the office has at any rate not yet reached that stage.

I have the honour etc
