REVENUE.

The revised and budget estimates of receipts under Provincial Civil Works for 1897–98 and 1898–99, respectively, as passed by the Government of India in the resolution read above, have been adopted in the final budget.

EXPENDITURE.

2. The revised estimate of expenditure for 1897–98 was set down in the preliminary budget at Rs. 16,70,000. This amount was raised to Rs. 16,75,375 by the grant of Rs. 5,375 subsequently contributed by the District Boards of Chingleput and South Arcot for restoring the Alathur Branch road near Chunampet which has been classed as a Provincial Civil Work. The Government of India having fixed the estimate at Rs. 16,70,000, this amount has been adopted in the final budget. The exclusion, from the revised estimate, of the grant of Rs. 5,735 above referred to will be explained by the Examiner in his finance accounts for 1897–98.

3. The Government of India having approved the budget estimate of Rupees 25,00,000 for 1898–99 as shown in the preliminary issue, the final budget has been drawn up for the same amount.

4. The modifications sanctioned in the marginally-noted Government Orders have been carried out in the final budget.

" " 874 W., " 31st " "
" " 963 W., " 13th April "
" " 1105 W., " 3rd May "

5. In his endorsement No. 1140 K N., dated 18th April 1898, the Superintending Engineer, II Circle, applies for the following transfers of funds from the Kistna Northern to the Kistna Eastern division :—

Civil Buildings.

	Rs.
(1) Church at Bezwada	7,000
(2) Constructing a new building for Kistna Northern division office at Buckinghampet	8,800
(3) Repairs	2,000
(4) Tools and plant	11,250
Total ...	29,050

The above transfers of funds have been effected in the final budget.

6. Superintending Engineers and the Consulting Architect will lose no time in submitting plans and estimates for the unsanctioned works for which funds have been provided, and the Heads of Departments through whom the estimates may pass will expedite their disposal as much as possible. No outlay should be incurred on any of the unsanctioned works for which funds have been provided, until plans and estimates have been sanctioned by competent authority.

7. The amount reserved for incomplete works will, as usual, be distributed on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible.

8. The distribution of the grants for "Minor Works" and "Repairs" is shown in Part II of the budget and that for "Tools and Plant" in Part IV.

9. With reference to G.O., No. 466 W., dated 23rd February 1898, the grants required for the conservation of Archæological works at Hampi have been provided in the final budget. The excess provision of Rs. 120 to the Chingleput division on account of the maintenance of the monuments at Seven Pagodas has been withdrawn and credited to the reserve. The sum of Rs. 35 required for the Vishnu temple at Ukkal should be met from the "Repair" grant to the North Arcot division under Civil Buildings.

10. The net debit to Provincial Civil Works on account of establishment as shown in the preliminary budget was Rs. 7,24,692. This amount has been reduced to Rs. 6,73,552 in consequence of an increase in the contribution from Port Funds.

11. With these remarks, the final issue of the Provincial Civil Works budget estimate for 1898-99 will be printed and circulated for the information and guidance of the officers concerned and 50 copies as shown in the margin will be forwarded to the Government of India, Public Works Department.
