Communicated to the Deputy Commissioner, Southern Division, and the Assistant Commissioner, Trichinopoly Sub-Division, in continuation of Board's Proceedings, No. 41, dated 10th February 1898. The re-distribution of the limits of the circles affected by the order should be given effect to at once and arrangements should also be made promptly for absorbing in other circles the men that will be thrown out consequent on the net reduction of establishments now tentatively sanctioned. Please see the H. M's remarks on page 2 of the Office note under G.O. no 1772 dated 25-4-98. The H. M. was of opinion that it would pay to have an Officer of Standing (An. Asst. Insp.) at Madura, and enquiry was accordingly made of the Board, which states in the current record along page 2, that an An. Insp. is not wanted. There is nothing for it, it is thought, but to record the current.

2. Reply to the H. M's query in regard to the Head Quarters of the Madura Circle will be found at the bottom of page 2 of the Office note referred to above. The presumption that Madura will be the Head Quarters is correct.
