Copy of letter from the Collector of
Vizagapatam, Ref. C No. 390 of '97 (Forests)
d/ 3rd March 1898, to the Secretary to the
Commissioners of Land Revenue, through the
Conservator of Forests, Northern Circle.

I have the honour to make a
report on the Settlement of the Kadagandi
Reserve.

2. The Kadagandi Block was proclaimed
Reserved Forest under Sec. 6 of the
Forest Act in the year 1892 and the procla-
mation was published in the issue of the
Vizagapatam St. Gazette d/ January 4th, 1892.

3. In this proclamation the following
villages were proclaimed enclosures.

1. Kosta.
2. Dakilaparti
3. Bhuchendri.
4. Vontijola
5. Munugada
6. Machanapatti
7. Jangalapadu.
8. Badlapadu

and the Divisional Officer of Vizianagaram
was appointed Forest Settlement Officer.

4. In May 1897 a further proclama-
tion under Sec. 6 was gazetted with regard
to

As two Extensions and the Special Forest Settlement Officer of Caujam and other Districts was appointed to hear and decide the claims.

5. In the Fort St. George Gazette No. 266 of 29th June 1897 a notification was issued revising the previous notification under Sec. 4 and including with the reserve the villages of

Korta

Murugada

Dakilaparti

Vontijola

and Mr. Lushington was appointed Settlement Officer.

6. From the above it will be observed that two Settlement Officers are now engaged on the settlement of the same block. The Principal Assistant Collector settling the reserve as originally notified and Mr. Lushington the recently notified extensions and additions to the reserve.

7. Mr. Lushington has practically completed his share of the work.

8. My District Forest Officer, who has been through the records of the Divisional Officer, reports that the settlement by successive Principal Assistant Collectors has progressed very slowly and

and is still incomplete.

There is no record of an "A" register. In the B register seven claims have been entertained and orders passed.

Of these, one, the claim by the Rajah of Bobbili to a portion of the reserve admitted by the Settlement Officer in June 1896 awaits disposal of appeal preferred on behalf of Government in the District Court; a second, a claim by the Mokhasadar of Somidavalasa to a portion of the reserve, rejected by the Forest Settlement Officer awaits disposal of appeal in the same Court.

No claim has been heard with regard to 3 villages which were included in the reserve as originally notified and still exist, namely,

Devragaudi

Makrapeta

Gudalamavadi.

and there are several rights of way to be admitted, claims to which have not been considered.

I strongly advise the completion of the settlement by Mr. Lushington, on the ground of expediency and to avoid further delay and suggest that the

the draft notification enclosed be gazetted in the Fort St. George Gazette at an early date. With the exception of the appeals in the District Court there is nothing further to delay the completion of the Settlement if placed in the hands of the Special Settlement Officer.

Endorsement thereon of the Conservator of Forests, Northern Circle, R. C. No. 1432 of Waltair, 15th March 1898:—

Note for the Under Secretary

In the current read above the Board of Revenue suggests that Mr. Thompson's name may be inserted in the notification for the settlement of the proposed Kadagandi reserve, Vizagapatam District in place of Mr. Lushington proposed by the Collector in order that the settlement of the block may be expedited. Mr. Thompson's services having been recently ordered to be placed at the disposal of the Cochin Durbar, the Supt. Madras Survey was requested to report if any other Survey Officer was available for Forest Settlement work. He suggested Mr. Battenian but the question was ordered to lie over pending receipt of the Secretary of State's sanction for the retention of the Forest Settlement Officers. It is presumed that the current should lie over till the appointment of another officer in Mr. Lushington's place is officially approved.
