REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Land Revenue).

No. 1376 exis, dated 26th May 1898.

Read — letter from the Collector of Nilgiris, Rc: on No. 461/cur of 98, dated 11th May 1898, to the Secretary to the Commissioner of Land Revenue, Madras.

Resolution:- Submitted to Government for orders.

2. The Collector of the Nilgiris reports that he has received an application from the Ootacamund Gymkhana Club for the grant of a site measuring slightly over two acres on the Jail Hill, Ootacamund, upon which it is proposed to erect a theatre and ball-room. The immediate cause of this application is the recent leasing out of Browne's Assembly

Assembly Rooms to the Ordnance Department for a period of five years, and the consequent want of a building "at all adequately suited for balls, concerts, bazaars, or theatrical entertainments". The land forms part of a field acquired by purchase under G.O. No. 2008 — Financial dated 10th November 1876 at a price of about Rs 280 per acre, and is now reported to be worth — Rs 3000 per acre. The Collector does not give the data upon which he has arrived at this estimate of the value of the land, and he will now be requested to do so. His recommendation apparently is that the site should be alienated at this rate subject to the payment of an annual assessment of Rs4 per acre. The assessment is presumably that now levied in respect of the adjacent plot of land in the occupation of the Masonic Lodge which was valued at Rs 1200 per acre in G.O. No. 801 Revenue — dated 11th October 1870.

3. The Collector does not state whether the Gymkhana Club is prepared to pay the estimated value of the land, but from the terms of the resolution enclosed in his report it would appear that Government is desired either to make a free grant of the site or at least to assign it on — specially favourable terms in view of the fact that it is proposed to utilize it for the erection of buildings which will be of public use and will promote the comfort and convenience of the large floating population which comes to Ootacamund during the hot weather for the purpose of recreation and amusement

and

and in order to recruit health. It is for Government to decide whether this consideration justifies the grant of valuable land at favourable rates.

4. The question whether the land is likely to be required for the use of any Government department will presumably need further investigation, and the Collector will therefore be requested to put himself in communication with the local officers of other Departments on the subject.
