the receipt of Chemicals, the manufacture of Quinine may be Continued.

3. It is estimated that the Tuticorin oil, which is now on its way to India, will last until the end of November, and in order that there may be no stoppage of work, I would specially urge that the Tuticorin oil, now indented for, may be shipped in time to reach Nedivattam before the 1st December. If it is not found Convenient to ship the whole of the 28 tons required by that time, I would suggest that 10 tons be shipped in October, and the balance before the end of January.

I have the honor to be

Nedivattam 8/6/98
No. 43 of 23rd June 1898.

Letter to the assistant under secretary of State for India.

Sir,

The Govt of India having recently approved of the proposal made by this Govt to manufacture during the current official year 10,000 lbs of

"
sulphate of
of quinine ~~in~~ at the Nadi-
vattam factory instead of
~~the original estimate of~~ 5000
lbs. as originally estimated. I am directed to forward
herewith, in continuation of
the Hon'ble Mr Stokes's letter
No 64 dated 2.11.97, for favour
of early Compliance, an in-
dent in duplicate for addi-
tional chemicals & other articles required
for the (manufacture of the) increased quantity of sulphate of quinine.
2. The fusel oil now on its
way to India is estimated
to last till the end of Novem-
ber and in order that there
may be no stoppage of work
I am to request that the quantity
~~of~~ now indented for may
be shipped in time to reach
Naduvattam before the 1st
of December next. If how-
ever, it should be found in
convenient to ship the whole
of the 28 tons required by
that time, I am to suggest
that 10 tons may be
shipped in October
and the balance before
the end of January next.
