MARCH.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Bakuli-Hola block, in the Coondapoor taluk, South Canara district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from H. S. MULLINS, Esq, Special Forest Settlement-officer, Malabar and South Canara, to the Collector of South Canara, dated Mangalore, 8th December 1898, Dis. No 192-F.S.:—

I have the honour to forward the settlement records of block No. 59, Bakudi-Hola, in the Coondapoor taluk, of your district.

2. The reserve was notified under section 4 in the *Fort St. George Gazette* of the 21st August 1894, the Government notification being dated the 9th of the same month. The proclamation under section 6 was published in the District Gazette of 6th October in the same year and copies issued to the Tahsildar for service on the 24th of the same month. The above steps were taken by the Head Assistant Collectors of the district who were at that time *ex-officio* Forest Settlement-officers.

3. One claim was received before I took charge and was partly disposed of by Mr. Couchman, it being to eight public rights of way and two channels within the reserve, brought to notice by the District Forest-officer. The claim to rights of way was admitted *in toto* but on my taking up the settlement of the reserve, at the request of the District Forest-officer, the portion thereof between cairns Nos 30 and 44 was excluded, thus excluding two of the paths admitted. The channels brought to notice by the District Forest-officer were afterwards claimed before me by the parties interested and were admitted by me.

4. The total number of claims preferred against the block was ten, on nine of which I passed orders in full and on the other I described the rights of way and as above stated passed orders on the channels claimed. Against two of my orders appeals were preferred—one under section 11 and the other under section 10 of the Forest Act. The former was caused by the representative of the District Forest-officer, the claimant, misrepresenting the kind of road claimed, he stating that it was a Local Fund road whilst, as a matter of fact, the road was merely a cart-track. In this case my decision was modified by the Collector and the breadth of the road in the original order reduced from forty-four yards to five yards. In the second case the original order was confirmed. The last appeal was disposed of on 3rd September 1898, a copy of the order of the District Court being received on 3rd October 1898.

5. I perambulated the block disposing of all claims in February of this year and the last order passed by me and not appealed against is dated 15th June, disposing of a request of the District Forest-officer to exclude a certain portion of the originally proposed reserve area from reservation. The block is thus free of all rights, the time for appealing against the remaining original orders having expired, save those mentioned in the draft notification herewith submitted.

6 The plan of the reserve was forwarded to the District Forest office for the preparation of the section 16 plan on the 16th of November, as I was absent on leave when the decision of the District Court in the appeal noted above was received, thus causing a delay of one month. The section 16 plan was received from the District Forest office on the 6th instant.

7. The boundary of the reserve now proposed does not exceed the section 4 boundary at any point.

8. In the original notification, under section 4, of the reserve two pieces of land, viz., Sanna Chitra and Mavinakodlu were formed into enclosures within the reserve.

The latter still forms an enclosure, but the former has been excluded by the exclusion from reservation, at the request of the District Forest-officer, of the portion from cairn No. 30 to 44, whilst two more enclosures have been added during settlement.

9. The following records of settlement are herewith forwarded:—

(*a*) Draft notification under section 16.

(*b*) A signed copy of the B. Register.

(*c*) Statement showing the number of claims filed and their disposal.

(*d*) Sketch-map of the block.

10. The date from which reservation is to take effect is left blank in the draft notification to be filled in by Government.

B. REGISTER of claims to Lands, rights to Forest produce or easements in the proposed Bakudi-Hola reserved forest, block No. 59, South Canara district.

No.	Names of claimants.	Date of presentation of claims.	Nature and extent of claims preferred.	Brief summary of the evidence adduced in support of claims.	Brief summary of the District Forest-officer's arguments and evidence produced by him.	Brief abstract of decision and final disposal of the claims by the Forest Settlement-officer.

1	The District Forest-officer, South Canara.	8th April 1895.	Proposes the following easements :— (*a*) Rights of way— (1) Irige-Haladi foot-path for men and cattle. Enters between cairns Nos. 64 and 65 and goes out between cairns Nos. 66 and 67 ; re-enters between cairns Nos. 9 and 10 and goes out between cairns Nos. 11 and 12 ; again nters between cairns Nos. 15 and 16 and finally makes its exit at cairn No. 16-B where it joins the Haladi-Amashebail cart-track. (2) Irige-Hulipanjara Jeddu foot-path. Enters between cairns Nos. 57 and 58 and goes out between cairns Nos. 71 and 72. (3) Hulipanjara Jeddu-Huntrike foot-path. Enters between cairns Nos. 74 and 75 and goes out between cairns Nos. 46 and 47. (4) Haladi-Amashebail cart-track, fifteen feet wide, enters at cairn No. 16-B and goes out between cairns Nos. 17 and 18 ; re-enters between cairns Nos. 19 and 20 and goes out between cairns Nos. 21 and 22. (5) Shankranarayana-Rattadi foot-path. Enters between cairns Nos. 36 and 37, goes out between cairns Nos. 10 and 11 of the Sanna Chitra enclosure ; re-enters between cairns Nos. 7 and 8 of that enclosure and finally goes out between cairns Nos. 39 and 40. (6) Sankaranarayana Amashebail foot-path, four feet wide, for men and cattle. Enters between cairns Nos. 32 and 33 and crossing the reserve boundary between cairns Nos. 31 and 32 joins the cart-track, item No. 4. (7) Heggodlu-Bakudi foot-path. Enters between cairns Nos. 26 and 27 and goes out between cairns Nos. 4 and 5. (8) Bhagimane-Mavinakodlu foot-path. Enters between cairns Nos. 12 and 13 and goes out between cairns Nos. 3 and 4 of the Mavinakodlu enclosure. (*b*) Water-courses. (i) Natural water channel for conveyance of water, *i.e.*, the right that water shall be freely allowed to flow through channels naturally as far as they lie within the block. (ii) Water-channel entering between cairns Nos. 3 and 4 of the Mavinakodlu enclosure and going out between cairns Nos. 12 and 13 to the Bhagimane cultivation. (iii) Water channel cro sing the boundary between cairns Nos. 19 and 20 for the benefit of Baradakallu cultivation.	....	....	The rights of way proposed are admitted. The question as to the claim to water-channels is postponed till the time of perambulation of the block. (Signed) M. E. COUCHMAN, Forest Sett.-officer. MANGALORE, 24th June 1895. Order amplified by the Special Forest Settlement-officer, Malabar and South Canara— (*a*) The following rights of way are admitted within the reserve. (1) Irige-Haladi foot-path to a width of six feet for men and cattle. It enters the reserve one hundred and ninety-six yards north of cairn No. 65, runs west-north-west for about three and three-fourth furlongs, quitting it forty yards north of cairn No. 66. It re-enters the reserve forty yards north of cairn No. 10, runs west along the Marmanu river bank for two furlongs and exits on the north side of cairn No. 11. It again enters the reserve on the north side of cairn No. 16 and runs about five hundred and forty yards to its junction with the Haladi-Amashebail cart-track (P.R.W. No. VI) about one hundred yards north-east of the junction of the Varahi and Marmanu rivers along which cart-track it continues. (2) Irige-Hulipanjara Jeddu foot-path, to a width of three feet, for men only. It enters the reserve about two hundred and fifty yards south-west of cairn No. 57, runs west-north-west six hundred yards and quits it one hundred yards south-west of cairn No. 72. (3) Hulipunjara Jeddu-Huntrike foot-path, to a width of three feet for men only. It enters the reserve two hundred yards south-west of cairn No. 74, runs due north about two hundred and fifty yards and quits it one hundred yards east of cairn No. 46. (4) Haladi-Amashibail cart-track to a width of forty-four yards as it is understood to be a Local Fund road. It enters the reserve at and on the north side of cairn No. 16-B, runs four hundred and forty yards north-east and quits it on the west side of cairn No. 17-A. It again enters the reserve one hundred and fifty yards north of cairn No. 19, runs east three furlongs and finally quits it on the north side of cairn No. 22. *Note.*—This passes through Hadikodlu enclosure (No. II) admitted in order No. 9. (5) Sankranarayana-Rattadi foot-path. The portion of the reserve through which this path passes will be excluded from reservation. No description of this path is therefore necessary. (6) Sankranarayana-Amashebail foot-path. As the portion of the reserve through which this path passes will be excluded from reservation, no description is necessary. (7) Heggodlu-Bakudi foot-path admitted to a width of six feet for men and cattle. It enters the reserve one hundred yards east-north-east of cairn No. 26, runs three hundred and sixty yards south, slightly east, and quits it one hundred yards south-west of cairn No 4. (8) Bhagimane-Mavinakodlu foot-path admitted to a width of six feet for men and cattle. It enters the reserve two hundred yards north-west of cairn No. 12 and passing through it north two hundred and fifteen yards, quits it one hundred and fifty yards north-west of cairn No. 4 of the Mavinakodlu enclosure. (*b*) (i) The claim to the right to the natural flow of water coming out of the reserve area is rejected, the claim being a very indefinite one. (ii) The claim to the channel from Mavinakodlu enclosure (No. III) to Bhagimane is admitted. The channel will be five feet wide including its banks and will enter the reserve on the north side of cairn No. 4 of the Mavinakodlu enclosure will run two hundred yards south slightly by east and quit it fifty yards south-east of cairn No. 12. The right to repair the channel will be exercised by the proprietor of Bhagimane cultivation, the period of exercise of such right being from 15th April to 7th May yearly. Materials for the repair of the channel will be obtained from the limits of the bed of the channel and right of entry in the reserve for repairing the channel will also be by the bed of the channel. (iii) The claim to the Baradakallu channel has been disposed of in order No. 3. RATTADI, 3rd February 1898. (Signed) H. S. MULLINS, Special Forest Sett.-officer, Malabar and South Canara.
2	Ramaraya, son of Shankraya of Brahmavar.	2nd Feb. 1898.	Claims kumaki— (1) for a portion of Muli Warg No. 1 of Heggodlu village between cairns Nos. 19 and 23 ; and (2) for Mavinakodlu enclosure at cairns Nos. 1 to 6.	....	The Forest Range officer does not contest the claim.	The claim is admitted as regards the lines between cairns Nos. 20 and 21, 21 and 22, cairn No. 23 and enclosure, cairns Nos. 1 to 6 and the demarcation will be altered to allow one hundred yards kumaki on the boundary at these points. The claim to kumaki at cairn No. 19 is rejected, sufficient land having been excluded from the reserve at this point. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. RATTADI, 2nd February 1898.
3	Subraya, son of Rangaraya of Heggodlu village.	20th April 1897.	Claims the following easements :— (1) Easement right over the Mundakodu and Ullekodu jungles. (2) Kumaki at cairns Nos. 14, 15, 29, 30, 31, 32, 33 and 34. (3) The use of a tank called Bakudikere and of a reservoir called Ullekodlu. (4) The use of a channel conveying water from Kovinagudde to his lands. (5) Right of worship at— (*a*) Mundagodu Ammana temple. (*b*) Hulichamundi Bhuthastan.	....	....	1. The claim for item No. 1 is rejected as the claimant failed to produce any proof of the exercise of the right claimed. 2. The claim as regards kumaki at cairn No. 15 is admitted. The cairn will be moved back twenty yards and a cairn No. 14-A will be interpolated to allow full one hundred yards between the warg land and the cairns and line between them. The claim as regards kumaki at cairns Nos 14, 29 and 30 is rejected. The Range officer having decided to exclude the land lying between cairns Nos. 31 and 44, the claim for the removal of cairns Nos. 31, 32, 33 and 34, need not be adjudicated upon. 3. The claim to the Bakudikere, twenty-five yards inside reserve and two channels leading off water therefrom is admitted. One of the channels leaves at the centre of the bund and the other at the south-western corner thereof. These channels will not exceed three feet in breadth each. The first channel runs west, slightly south, fifteen yards to its exit from the reserve at the head of the Bakudi cultivation and the second twenty-five yards south-west to its exit from the reserve. Materials for keeping up the bund and channels will be taken from the bed of the tank and channels and right of entry for repairing them will be by the channels. The tank-bed will not exceed four hundred square yards, the shape being nearly a square. The claim to the Ullekodlu reservoir is also admitted. The reservoir lies within the reserve, two hundred yards, the channel therefrom leaving the reserve between cairns Nos. 19 and 20 and running north two hundred yards. The breadth of the channel is not to exceed three feet including banks and the materials for the repair of the reservoir, dam and channel will be obtained from the beds of the respective easements, the bed of the reservoir being fixed at thirty yards east to west and twenty yards north to south. Right of entry into the reserve for repairs will be by the bed of the channel. 4. The claim to Kovinagudde channel is rejected, as no channel such as that claimed is in existence. 5. (*a*) The Mundagodu Ammana temple lies outside the reserve and the claim thereto is therefore rejected. (*b*) The claim to the Hulichamundi Bhuthastan is admitted and at the request of the Forest Range officer, the shrine will be excluded from the reserve by moving cairn No. 11 to fifty yards east along the river bank. RATTADI, 3rd February 1898. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara.

Claim I (a) ..
(1) P.R.W. No. III.
(2) P.R.W. No. II.
(3) P.R.W. No. IV.
(4) P.R.W. No. VI.—The District Forest-officer appealed against the order on this claim; the Collector modified the order of the Forest Settlement-officer ordering a width of fifteen feet for men, cattle and carts instead of forty-four yards.
(7) P.R.V. No. I.
(8) P.R.W. No. V.

Claim I (b) (2).—Channel No. III.

Claim III (3).—Channels Nos. I, II and IV.

4	Sheshagiri Rao, son of Subba Rao, potail of Heggodlu village.	21st May 1897.	Claims the following on behalf of the public:— (1) A Bhuthastan at Bhagimane near cairn No. 11 within the reserve. (2) The Haladi-Amashebail cart track. (3) The Mundagodu Ammana temple.	....	....	These claims have already been disposed of, items Nos. 1 and 3 in order No. 3 and item No. 2 in order No. 1. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, RATTADI, Malabar and South Canara. 3rd February 1898.
5	Sheshagiri Rao, son of Subba Rao, potail of Heggodlu village.	Do.	Claims proprietary right over a portion of a Hosagame warg enclosed within the reserve south of the Mavinakodlu enclosure.	....	....	* The claimant failed to produce any evidence of ownership of the land. He also admitted that no patta for the land had been issued or applied for. The claim is therefore dismissed. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, RATTADI, Malabar and South Canara. 3rd February 1898.
6	Sheshagiri Rao, son of Subba Rao, potail of Heggodlu village.	Do.	Claims kumaki at all the seventy-eight cairns demarcating the reserve.	....	....	The claim was a rambling one for kumaki said to be encroached upon by the reserve area. The claimant when asked to define it said that it referred to all the seventy-eight cairns demarcating the reserve. The claim is rejected as indefinite. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, RATTADI, Malabar and South Canara. 3rd February 1898.
7	Korathi Heggadthi, daughter of Duggappa Gouda of Irige.	2nd Feb. 1898.	Claims kumaki for his land, Muli Warg No. 1 of Irige village said to be encroached upon by cairns Nos. 53 and 54.	....	....	The claim is rejected as sufficient kumaki has been excluded at between and on both sides of the cairns complained of. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, RATTADI, Malabar and South Canara. 3rd February 1898.
8	Sannaya Shetti, nephew of Annappa Shetti, potail of Irige village.	Do.	Claims proprietary right over a portion of Muli Warg No. 1 of Irige village said to be included within the reserve.	Produced a Muli Geni chit to show that a portion of the south of the land was that alleged to be warg land included in the reserve.	....	The claimant himself admits that the stone wall is one hundred to one hundred and fifty yards from his cultivated land. It was found on inspection that the reserve boundary was a full one hundred yards from the cultivated land along the south of Hulipanjarajeddu and in places considerably more. It is therefore decided that no portion of claimants' land is included within the reserve and the claim is rejected. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, KEDIGEKODLU, Malabar and South Canara. 5th February 1898.

* Appeal to the District Court by a member of the claimants' family on 19th April 1898, disposed of on 1st September 1898. Appeal dismissed with costs. Copy of judgment received on 3rd October 1898.

1	2	3	4	5	6	7
9	Biligi Rama Rao, son of Shankara Rao of Brahmavar.	19th Mar. 1898.	Claims proprietary right over two portions of Kadim warg land, *i.e.*, land entitled to kumaki called Ullekodlu and Kadikodlu said to be included in the reserve at cairns Nos. 20, 21, 22, 23 and 24.	The claimant was represented by a duly-authorized vakil and four witnesses were examined in his behalf. The first witness stated that he knew the land claimed and that it had been cultivated and showed signs of habitation, but on cross-examination stated that the reason he said the land was warg land was because people gathered twigs, &c., from it for manure, the people being Rama Rao's tenants. The second witness deposed to having cultivated a portion of the land claimed as a tenant of the claimant, that the land was demarcated and was within the reserve. The third witness deposed to tenancy and cultivation, signs of cultivation and habitation, also to the survey. The fourth witness deposed that his father had cultivated the land ten or fifteen years previously, that there are signs of habitation, that it was within the reserve and that it was surveyed and demarcated.	The claim was contested, but no evidence was produced for the defence which also failed in cross-examination to shake any of the evidence given in support of the claim.	I consider the claim to proprietary right over the demarcated and surveyed portions of Ullekodlu and Hadikodlu has been proved and admit the same together with the one hundred yards kumaki for such surveyed and demarcated land to which, as portions of a Kadim warg, they are entitled. An order as to how the lands will be dealt with will be duly passed on hearing from the District Forest-officer his wishes in the matter. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, MANGALORE, Malabar and South Canara. 30th March 1898. The District Forest-officer having requested that these lands (Ullekodlu* and Hadikodlu †) should be formed into enclosures, the lands as above defined will form enclosures within the reserve being themselves free from reservation. Right of way to enclosure No. 1 (Ullekodlu) will be by a path six feet wide for men and cattle, quitting P.R.W. No. VI, due south of the enclosure, and running north eighty yards to the enclosure. Right of way to Hadikodlu is provided by public right of way No. VI which passes through the centre of the enclosure. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, MANGALORE, Malabar and South Canara. 2nd October 1898.
10	The District Forest-officer, South Canara.	9th June 1898.	Requests in his letter, Ref. on C.S.C. No. 2228, dated 17th May 1898, that the portion of the reserve lying to the north of the line between cairns Nos. 30 and 44 may be excluded from the reserve.	....	....	Admitted. The block boundary for final notification will run from cairn No. 30, on the south and adjoining the cart-track leading from Haladi to Amashebail, to the south of the same road from its original position on the north thereof, excluding that portion of the proposed reserve north of that road enclosed by cairns Nos. 31 to 43, both inclusive. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. TELLICHERRY, 15th June 1898.

* Enclosure No. 1.

† Enclosure No. 2.

NOTE.—Kumaki was allowed to the Kadim warg lands adjoining the block boundary at cairns Nos. 17-A, 25-A, 58-A, 59-A and 67-A on verbal claims.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 109, dated 1st March 1899 :—

Read—the following letter from H. S. MULLINS, Esq., Special Forest Settlement-officer, Malabar and South Canara, to the Collector of South Canara, dated Mangalore, 8th December 1898, Dis. No. 192-F.S. :—

I have the honour to forward the settlement records of block No. 59, Bakudi-Hola, in the Coondapoor taluk, of your district.

2. The reserve was notified under section 4 in the *Fort St. George Gazette* of the 21st August 1894, the Government notification being dated the 9th of the same month. The proclamation under section 6 was published in the District Gazette of 6th October in the same year and copies issued to the Tahsildar for service on the 24th of the same month. The above steps were taken by the Head Assistant Collectors of the district who were at that time *ex-officio* Forest Settlement-officers.

3. One claim was received before I took charge and was partly disposed of by Mr. Couchman, it being to eight public rights of way and two channels within the reserve, brought to notice by the District Forest-officer. The claim to rights of way was admitted *in toto* but on my taking up the settlement of the reserve, at the request of the District Forest-officer, the portion thereof between cairns Nos. 30 and 44 was excluded, thus excluding two of the paths admitted. The channels brought to notice by the District Forest-officer were afterwards claimed before me by the parties interested and were admitted by me.

4. The total number of claims preferred against the block was ten, on nine of which I passed orders in full and on the other I described the rights of way and as above stated passed orders on the channels claimed. Against two of my orders appeals were preferred—one under section 11 and the other under section 10 of the Forest Act. The former was caused by the representative of the District Forest-officer, the claimant, misrepresenting the kind of road claimed, he stating that it was a Local Fund road whilst, as a matter of fact, the road was merely a cart-track. In this case my decision was modified by the Collector and the breadth of the road in the original order reduced from forty-four yards to five yards. In the second case the original order was confirmed. The last appeal was disposed of on 3rd September 1898, a copy of the order of the District Court being received on 3rd October 1898.

5. I perambulated the block disposing of all claims in February of this year and the last order passed by me and not appealed against is dated 15th June, disposing of a request of the District Forest-officer to exclude a certain portion of the originally proposed reserve area from reservation. The block is thus free of all rights, the time for appealing against the remaining original orders having expired, save those mentioned in the draft notification herewith submitted.

6. The plan of the reserve was forwarded to the District Forest office for the preparation of the section 16 plan on the 16th of November, as I was absent on leave when the decision of the District Court in the appeal noted above was received, thus causing a delay of one month. The section 16 plan was received from the District Forest office on the 6th instant.

7. The boundary of the reserve now proposed does not exceed the section 4 boundary at any point.

8. In the original notification, under section 4, of the reserve two pieces of land, viz., Sanna Chitra and Mavinakodlu were formed into enclosures within the reserve.

The latter still forms an enclosure, but the former has been excluded by the exclusion from reservation, at the request of the District Forest-officer, of the portion from cairn No. 30 to 44, whilst two more enclosures have been added during settlement.

9. The following records of settlement are herewith forwarded :—

(*a*) Draft notification under section 16.
(*b*) A signed copy of the B. Register.
(*c*) Statement showing the number of claims filed and their disposal.
(*d*) Sketch-map of the block.

10. The date from which reservation is to take effect is left blank in the draft notification to be filled in by Government.

Enclosure No. 1.

1	The District Forest-officer, South Canara.	8th April 1895.	Proposes the following easements :— (*a*) Rights of way— (1) Irige-Haladi foot-path for men and cattle. Enters between cairns Nos. 64 and 65 and goes out between cairns Nos. 66 and 67 ; re-enters between cairns Nos. 9 and 10 and goes out between cairns Nos. 11 and 12 ; again enters between cairns Nos. 15 and 16 and finally makes its exit at cairn No. 16-B where it joins the Haladi-Amashebail cart-track. (2) Irige-Hulipanjara Jeddu foot-path. Enters between cairns Nos. 57 and 58 and goes out between cairns Nos. 71 and 72. (3) Hulipanjara Jeddu-Huntrike foot-path. Enters between cairns Nos. 74 and 75 and goes out between cairns Nos. 46 and 47. (4) Haladi-Amashebail cart-track, fifteen feet wide, enters at cairn No. 16-B and goes out between cairns Nos. 17 and 18 ; re-enters between cairns Nos. 19 and 20 and goes out between cairns Nos. 21 and 22. (5) Shankranarayana-Rattadi foot-path. Enters between cairns Nos. 36 and 37, goes out between cairns Nos. 10 and 11 of the Sanna Chitra enclosure ; re-enters between cairns Nos. 7 and 8 of that enclosure and finally goes out between cairns Nos. 39 and 40. (6) Sankaranarayana Amashebail foot-path, four feet wide, for men and cattle. Enters between cairns Nos. 32 and 33 and crossing the reserve boundary between cairns Nos. 31 and 32 joins the cart-track, item No. 4. (7) Heggodlu-Bakudi foot-path. Enters between cairns Nos. 26 and 27 and goes out between cairns Nos. 4 and 5. (8) Bhagimane-Mavinakodlu foot-path. Enters between cairns Nos. 12 and 13 and goes out between cairns Nos. 3 and 4 of the Mavinakodlu enclosure. (*b*) Water-courses. (i) Natural water channel for conveyance of water, *i.e.*, the right that water shall be freely allowed to flow through channels naturally as far as they lie within the block. (ii) Water-channel entering between cairns Nos. 3 and 4 of the Mavinakodlu enclosure and going out between cairns Nos. 12 and 13 to the Bhagimane cultivation. (iii) Water channel crossing the boundary between cairns Nos. 19 and 20 for the benefit of Baradakallu cultivation.	....	....	The rights of way proposed are admitted. The question as to the claim to water-channels is postponed till the time of perambulation of the block. (Signed) M. E. COUCHMAN, Forest Sett.-officer. Mangalore, 24th June 1895. Order amplified by the Special Forest Settlement-officer, Malabar and South Canara— (*a*) The following rights of way are admitted within the reserve. (1) Irige-Haladi foot-path to a width of six feet for men and cattle. It enters the reserve one hundred and ninety-six yards north of cairn No. 65, runs west-north-west for about three and three-fourth furlongs, quitting it forty yards north of cairn No. 66. It re-enters the reserve forty yards north of cairn No. 10, runs west along the Marmanu river bank for two furlongs and exits on the north side of cairn No. 11. It again enters the reserve on the north side of cairn No. 16 and runs about five hundred and forty yards to its junction with the Haladi-Amashebail cart-track (P.R.W. No. VI) about one hundred yards north-east of the junction of the Varahi and Marmanu rivers along which cart-track it continues. (2) Irige-Hulipanjara Jeddu foot-path, to a width of three feet, for men only. It enters the reserve about two hundred and fifty yards south-west of cairn No. 57, runs west-north-west six hundred yards and quits it one hundred yards south-west of cairn No. 72. (3) Hulipunjara Jeddu-Huntrike foot-path, to a width of three feet for men only. It enters the reserve two hundred yards south-west of cairn No. 74, runs due north about two hundred and fifty yards and quits it one hundred yards east of cairn No. 46. (4) Haladi-Amashibail cart-track to a width of forty-four yards as it is understood to be a Local Fund road. It enters the reserve at and on the north side of cairn No. 16-B, runs four hundred and forty yards north-east and quits it on the west side of cairn No. 17-A. It again enters the reserve one hundred and fifty yards north of cairn No. 19, runs east three furlongs and finally quits it on the north side of cairn No. 22. *Note.*—This passes through Hadikodlu enclosure (No. II) admitted in order No. 9. (5) Sankranarayana-Rattadi foot-path. The portion of the reserve through which this path passes will be excluded from reservation. No description of this path is therefore necessary. (6) Sankranarayana-Amashebail foot-path. As the portion of the reserve through which this path passes will be excluded from reservation, no description is necessary. (7) Heggodlu-Bakudi foot-path admitted to a width of six feet for men and cattle. It enters the reserve one hundred yards east-north-east of cairn No. 26, runs three hundred and sixty yards south, slightly east, and quits it one hundred yards south-west of cairn No. 4. (8) Bhagimane-Mavinakodlu foot-path admitted to a width of six feet for men and cattle. It enters the reserve two hundred yards north-west of cairn No. 12 and passing through it north two hundred and fifteen yards, quits it one hundred and fifty yards north-west of cairn No. 4 of the Mavinakodlu enclosure. (*b*) (i) The claim to the right to the natural flow of water coming out of the reserve area is rejected, the claim being a very indefinite one. (ii) The claim to the channel from Mavinakodlu enclosure (No. III) to Bhagimane is admitted. The channel will be five feet wide including its banks and will enter the reserve on the north side of cairn No. 4 of the Mavinakodlu enclosure will run two hundred yards south slightly by east and quit it fifty yards south-east of cairn No. 12. The right to repair the channel will be exercised by the proprietor of Bhagimane cultivation, the period of exercise of such right being from 15th April to 7th May yearly. Materials for the repair of the channel will be obtained from the limits of the bed of the channel and right of entry in the reserve for repairing the channel will also be by the bed of the channel. (iii) The claim to the Baradakallu channel has been disposed of in order No. 3. (Signed) H. S. MULLINS, Special Forest Sett.-officer, Malabar and South Canara. Rattadi, 3rd February 1898.

Claim I (*a*) .. (1) P.R.W. No. III. (2) P.R.W. No. II. (3) P.R.W. No. IV. (4) P.R.W. No. VI.—The District Forest-officer appealed against the order on this claim ; the Collector modified the order of the Forest Settlement-officer ordering a width of fifteen feet for men, cattle and carts instead of forty-four yards. (7) [illegible] No. I. (8) P.R.W. No. V

Claim I (*b*) (2).—Channel No. I[illegible].

2	Ramaraya, son of Shankraya of Brahmavar.	2nd Feb. 1898.	Claims kumaki— (1) for a portion of Muli Warg No. 1 of Heggodlu village between cairns Nos. 19 and 23 ; and (2) for Mavinakodlu enclosure at cairns Nos. 1 to 6.	....	The Forest Range officer does not contest the claim.	The claim is admitted as regards the lines between cairns Nos. 20 and 21, 21 and 22, cairn No. 23 and enclosure cairns Nos. 1 to 6 and the demarcation will be altered to allow one hundred yards kumaki on the boundary at these points. The claim to kumaki at cairn No. 19 is rejected, sufficient land having been excluded from the reserve at this point. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. Rattadi, 2nd February 1898.
3	Subraya, son of Rangaaya of Heggodlu village.	20th April 1897.	Claims the following easements :— (1) Easement right over the Mundakodu and Ullekodu jungles. (2) Kumaki at cairns Nos. 14, 15, 29, 30, 31, 32, 33 and 34. (3) The use of a tank called Bakudikere and of a reservoir called Ullekodlu. (4) The use of a channel conveying water from Kovinagudde to his lands. (5) Right of worship at— (*a*) Mundagodu Ammana temple. (*b*) Hulichamundi Bhuthastan.	....	....	1. The claim for item No. 1 is rejected as the claimant failed to produce any proof of the exercise of the right claimed. 2. The claim as regards kumaki at cairn No. 15 is admitted. The cairn will be moved back twenty yards and a cairn No. 14-A will be interpolated to allow full one hundred yards between the warg land and the cairns and line between them. The claim as regards kumaki at cairns Nos. 14, 29 and 30 is rejected. The Range officer having decided to exclude the land lying between cairns Nos. 31 and 44, the claim for the removal of cairns Nos. 31, 32, 33 and 34, need not be adjudicated upon. 3. The claim to the Bakudikere, twenty-five yards inside reserve and two channels leading off water therefrom is admitted. One of the channels leaves at the centre of the bund and the other at the south-western corner thereof. These channels will not exceed three feet in breadth each. The first channel runs west, slightly south, fifteen yards to its exit from the reserve at the head of the Bakudi cultivation and the second twenty-five yards south-west to its exit from the reserve. Materials for keeping up the bund and channels will be taken from the bed of the tank and channels and right of entry for repairing them will be by the channels. The tank-bed will not exceed four hundred square yards, the shape being nearly a square. The claim to the Ullekodlu reservoir is also admitted. The reservoir lies within the reserve, two hundred yards, the channel therefrom leaving the reserve between cairns Nos. 19 and 20 and running north two hundred yards. The breadth of the channel is not to exceed three feet including banks and the materials for the repair of the reservoir, dam and channel will be obtained from the beds of the respective easements, the bed of the reservoir being fixed at thirty yards east to west and twenty yards north to south. Right of entry into the reserve for repairs will be by the bed of the channel. 4. The claim to Kovinagudde channel is rejected, as no channel such as that claimed is in existence. 5. (*a*) The Mundagodu Ammana temple lies outside the reserve and the claim thereto is therefore rejected. (*b*) The claim to the Hulichamundi Bhuthastan is admitted and at the request of the Forest Range officer, the shrine will be excluded from the reserve by moving cairn No. 11 to fifty yards east along the river bank. (Signed) H S MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. Rattadi, 3rd February 1898.

4	Sheshagiri Rao, son of Subba Rao, potail of Heggodlu village.	21st May 1897.	Claims the following on behalf of the public:— (1) A Bhuthastan at Bhagimane near cairn No. 11 within the reserve. (2) The Haladi-Amashebail cart track. (3) The Mundagodu Ammana temple.	....	....	These claims have already been disposed of, items Nos. 1 and 3 in order No. 3 and item No. 2 in order No. 1. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. RATTADI, 3rd February 1898.
5	Sheshagiri Rao, son of Subba Rao, potail of Heggodlu village.	Do.	Claims proprietary right over a portion of a Hosagame warg enclosed within the reserve south of the Mavinakodlu enclosure.	....	....	*The claimant failed to produce any evidence of ownership of the land. He also admitted that no patta for the land had been issued or applied for. The claim is therefore dismissed. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. RATTADI, 3rd February 1898.
6	Sheshagiri Rao, son of Subba Rao, potail of Heggodlu village.	Do.	Claims kumaki at all the seventy-eight cairns demarcating the reserve.	....	....	The claim was a rambling one for kumaki said to be encroached upon by the reserve area. The claimant when asked to define it said that it referred to all the seventy-eight cairns demarcating the reserve. The claim is rejected as indefinite. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. RATTADI, 3rd February 1898.
7	Korathi Heggadthi, daughter of Duggappa Gouda of Irige.	2nd Feb. 1898.	Claims kumaki for his land, Muli Warg No. 1 of Irige village said to be encroached upon by cairns Nos. 53 and 54.	....	....	The claim is rejected as sufficient kumaki has been excluded at between and on both sides of the cairns complained of. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. RATTADI, 3rd February 1898.
8	Sannaya Shetti, nephew of Annappa Shetti, potail of Irige village.	Do.	Claims proprietary right over a portion of Muli Warg No. 1 of Irige village said to be included within the reserve.	Produced a Muli Geni chit to show that a portion of the south of the land was that alleged to be warg land included in the reserve.	....	The claimant himself admits that the stone wall is one hundred to one hundred and fifty yards from his cultivated land. It was found on inspection that the reserve boundary was a full one hundred yards from the cultivated land along the south of Hulipanjarajeddu and in places considerably more. It is therefore decided that no portion of claimants' land is included within the reserve and the claim is rejected. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. KEDIGEKODLU, 5th February 1898.

* Appeal to the District Court by a member of the claimants' family on 19th April 1898, disposed of on 1st September 1898. Appeal dismissed with costs. Copy of judgment received on 3rd October 1898.

9	Biligi Rama Rao, son of Shankara Rao of Brahmavar.	19th Mar. 1898.	Claims proprietary right over two portions of Kadim warg land, *i.e.*, land entitled to kumaki called Ullekodlu and Kadikodlu said to be included in the reserve at cairns Nos. 20, 21, 22, 23 and 24.	The claimant was represented by a duly-authorized vakil and four witnesses were examined in his behalf. The first witness stated that he knew the land claimed and that it had been cultivated and showed signs of habitation, but on cross-examination stated that the reason he said the land was warg land was because people gathered twigs, &c., from it for manure, the people being Rama Rao's tenants. The second witness deposed to having cultivated a portion of the land claimed as a tenant of the claimant, that the land was demarcated and was within the reserve. The third witness deposed to tenancy and cultivation, signs of cultivation and habitation, also to the survey. The fourth witness deposed that his father had cultivated the land ten or fifteen years previously, that there are signs of habitation, that it was within the reserve and that it was surveyed and demarcated.	The claim was contested, but no evidence was produced for the defence which also failed in cross-examination to shake any of the evidence given in support of the claim.	I consider the claim to proprietary right over the demarcated and surveyed portions of Ullekodlu and Hadikodlu has been proved and admit the same together with the one hundred yards kumaki for such surveyed and demarcated land to which, as portions of a Kadim warg, they are entitled. An order as to how the lands will be dealt with will be duly passed on hearing from the District Forest-officer his wishes in the matter. (Signed) H. S. MULLINS, Spl. Forest Sett. officer, Malabar and South Canara. MANGALORE, 30th March 1898. The District Forest-officer having requested that these lands (Ullekodlu* and Hadikodlu †) should be formed into enclosures, the lands as above defined will form enclosures within the reserve being themselves free from reservation. Right of way to enclosure No. 1 (Ullekodlu) will be by a path six feet wide for men and cattle, quitting P.R.W. No. VI, due south of the enclosure, and running north eighty yards to the enclosure. Right of way to Hadikodlu is provided by public right of way No. VI which passes through the centre of the enclosure. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. MANGALORE, 2nd October 1898.
10	The District Forest-officer, South Canara.	9th June 1898.	Requests in his letter, Ref. on C.S.C. No. 2228, dated 17th May 1898, that the portion of the reserve lying to the north of the line between cairns Nos. 30 and 44 may be excluded from the reserve.	....	....	Admitted. The block boundary for final notification will run from cairn No. 30, on the south and adjoining the cart-track leading from Haladi to Amashebail, to the south of the same road from its original position on the north thereof, excluding that portion of the proposed reserve north of that road enclosed by cairns Nos. 31 to 43, both inclusive. (Signed) H. S. MULLINS, Spl. Forest Sett.-officer, Malabar and South Canara. TELLICHERRY, 15th June 1898.

* Enclosure No. 1.

† Enclosure No. 2.

NOTE.—Kumaki was allowed to the Kadim warg lands adjoining the block boundary at cairns Nos. 17-A, 25-A, 58-A, 59-A and 67-A on verbal claims.
