MARCH.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Ayidukallu block, in the Kalyandrug taluk, Anantapur district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from B. MACLEOD, Esq., Collector of Anantapur, to the Secretary to the Commissioners of Land Revenue Madras (through the Conservator of Forests, Northern Circle), dated 10th January 1899, Dis. No. 645 :—

I have the honour to forward, herewith, the papers in connection with the final reservation of Ayidukallu reserve situated in the Kalyandrug taluk.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Anantapur (through the District Forest-officer, Anantapur), dated Camp, Giddalúr, 5th December 1898, Ref. No. 263-Cur.

I have the honour to report the conclusion of the settlement of the proposed Ayidukallu reserve in the Kalyandrug taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at page 290 of the *Fort St. George Gazette*, dated 19th March 1895, and the proclamation under section 6 of the Act was published in the District Gazette, dated 1st July 1895. The time allowed for the presentation of claims expired on the 1st October 1898.

3. I was originally appointed to settle this block and afterwards Mr. W. C. McMurray. In 1896 it was retransferred to me and during my absence on privilege leave M.R.Ry. P. S. Singaravelu Pillai Avargal was appointed Settlement-officer. In notification published in the *Fort St. George Gazette*, dated 19th October 1898, the block was again retransferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in June 1898 and thirty claims were preferred for the following rights :—

(i) Nineteen claims to eleven rights of way.
(ii) Four claims to Government patta and inam fields.
(iii) Two claims to rights of way to fields.
(iv) Three claims to sivayijamma fields.
(v) One claim to a temple.
(vi) One claim to a right of way to the same.

The claims to rights of way involved in item No. (i) were all admitted and one of the rights of way has been excluded by an alteration of the reserve boundary. The claims to Government patta and inam fields involved in item No. (ii) were all admitted. The field in one case has been acquired under the Land Acquisition Act, while the portions of fields involved in other cases have been excluded by an alteration of the boundary of the reserve. The claims to right of way to fields and to sivayijamma cultivation involved in items Nos. (iii) and (iv) were rejected as unnecessary. The claims to the temple involved in item No. (v) was admitted and the temple has been excluded by an alteration of the boundary of the reserve, while the claim to a right of way to the temple involved in item No. (vi) was rejected as unnecessary.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith :—

(i) A signed copy of the B. Register of claims.
(ii) The draft notification under section 16.
(iii) The sketch-map of the reserve.
(iv) The numerical statement of claims filed and disposed of.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

I have the honour to report the conclusion of the settlement of the proposed Ayidukallu reserve in the Kalyandrug taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at page 290 of the *Fort St. George Gazette*, dated 19th March 1895, and the proclamation under section 6 of the Act was published in the District Gazette, dated 1st July 1895. The time allowed for the presentation of claims expired on the 1st October 1898.

3. I was originally appointed to settle this block and afterwards Mr. W. C. McMurray. In 1896 it was retransferred to me and during my absence on privilege leave M.R.Ry. P. S. Singaravelu Pillai Avargal was appointed Settlement-officer. In notification published in the *Fort St. George Gazette*, dated 19th October 1898, the block was again retransferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in June 1898 and thirty claims were preferred for the following rights :—

(i) Nineteen claims to eleven rights of way.
(ii) Four claims to Government patta and inam fields.
(iii) Two claims to rights of way to fields.

The claims to the temple involved in item No. (v) was admitted and the temple has been excluded by an alteration of the boundary of the reserve, while the claim to a right of way to the temple involved in item No. (vi) was rejected as unnecessary.

5. The reserve is thus free of all rights except those stated above.
