~~Read~~ Resolution.

With reference to para 3. of Government Order No: 33 Financial dated 5th January 1898 and in Continuation of Board's Proceedings No: 157 dated 21st April 1898, the Board begs to submit a statement showing the actual expenditure in April and the probable expenditure in the subsequent months of the current official year under 33 Famine relief.

now reported relates to famine relief measures necessitated by the failure of the last North East Monsoon and is confined to the Nellore District. The other two districts North Arcot and Kurnool, for which estimates were entered in Board's Proceedings No: 151 dated 21st April 1898 have been excluded, as the Collectors of those districts are of opinion, as reported in Board's Proceedings No: 169 dated 4th May 1898, that no relief measures will be necessary in their districts unless the South-West monsoon fails.

the Collector's estimates for May and June are as shown in the subjoined statement:-

	May		June	
	Nos: expected	amount	Nos: expected	amount
		Rs		Rs
33 A	"	200	"	200
33 B	1,500	3,750	1,500	3,750
33 D	80	200	120	300
33 F	1,500	3,750	2,000	5000

The Collector provides for 3000 workers in May and 3500 workers in June; but considering that the Collector's anticipation that the numbers on relief works will increase about the end of April, has not been realised and that the number on works reported for the first week in May was only 977, it would seem sufficient to provide for 1500 and 2000 workers for the current

and the ensuing months respectively. In venturing to take this sanguine view, it should be premised that a sharp rise in prices, from whatever cause, may operate to bring large numbers on to the relief works within a very short time. At present, however, the tendency of prices is fortunately downwards.
