For The C.S.

There appears to be no objection to the Rev. draft order, but as the Acct. Genl. has not been consulted in regard to the delegations proposed in para. 2, the file might, it is submitted, go to him (U.O.) for report as to whether he sees any objection to that para. The purchase of chemicals of European manufacture costing more than Rs. 10 each would still require the sanction of Govt. - article 98(k) of the Civil Account Code; but such purchases for the Botanical gardens are probably not frequent.
