My dear [illegible]

At the meeting held in Madras in May or June '97 Raja Sir S. Ramasawmi Mudaliar announced his intention of giving Rs 10000 as a jubilee gift for the construction of a hospital for women & children in Cuddalore. After some correspondence with the Raja & the Surgeon General it has been settled that the money should be spent on the construction of a dispensary on

at present in debt and the Dt. Board revised Budget closes with a deficit if the contrib. Plague charges for the [illegible] is paid in full.

the Standard plan. Such a dispensary is at present maintained by the Ml Council & Dt Board in a rented building & a proper habitation is very much needed. A suitable site has been selected but its acquisition will cost Rs 1000 about. Stuart told the Raja he would ask Govt. to acquire the site and present it to the Council as neither the Council nor the D Bd could afford to buy it. I have taken no steps for the acquisition of the site till now as I was waiting for some guarantee from the Raja that the money wd be forthcoming for the building. Arbuthnot & Co have now expressed their willingness to guarantee Rs 10.000. and the Raja has asked me to acquire the site at once so that the foundation stone may be laid by H.E. when he comes here next month. H.E. has I understand consented to do so. I have today written to the Board to ask if Govt will sanction Rs 1000 for the acquisition

My dear Sir,

I believe you remember the Public Meeting held prior to H. M's Diamond Jubilee and presided over by H. E. the Governor. On that occasion I announced that I would build a Dispensary for Women and Children at Cuddalore in commemoration of the Jubilee. In this connection there was an understanding between Mr Castlestuart Stuart the then Collector of South Arcot, and myself that the cost of the site required for the Dispensary should be borne by Government. Now from the three enclosed letters you will see that the

foundation-stone of the Institution is intended to be laid by H. E. the Governor at his visit to Cuddalore on or about the 9th of Feby. Mr. L. M. Wynch, the present Collector, is doing his best to acquire the intended site in good time before the arrival of H. E. and he desires me to see you personally to expedite matters. I am sorry to say that my present state of health is such that I am confined to the house since last week so I am unable to go out. Otherwise I would call and make the request in person. I shall feel extremely thankful if you will expedite matters and send a reply to Mr. Wynch and also favor me with a line. The cost of the site is rather trifling. As it is required in connection with H.M's D. Jubilee I should think that Govt. are not likely to have any objection if you write a line favorably on the subject. Mr. Castlestuart Stuart expressed to me that such an Institution was badly wanted, and therefore I have undertaken to build it in connection with the Diamond Jubilee at a cost of Rs 10,000/-

Kindly return the enclosures after perusal, and oblige

Rajah Sir Savalai Ramaswami Mudaliyar Kt.C.I.E. having offered to construct at his own expense a Municipal dispensary for women and children at Cuddalore in commemoration of Her Majesty's Diamond Jubilee, the Collector of South Arcot recommends the acquisition of 1.43 acres of Temple Inam land near the Tirupapuliyur Railway station in view to the same being made over free of cost to the Municipal Council, Cuddalore, for the purpose.

2. The estimated cost of acquisition is given as Rs. 1000. As the Inamdar has ~~such~~ only a limited interest in the land in question he should under section 31 (3) of Act I of 1894 be compensated by the grant of land or in some similar way. In these circumstances it is not likely that actual cash payment will be necessary unless the Collector is unable to come to an understanding with the Inamdar in which case the money compensation should be deposited in Court under section 31 (2). A report on this point will be obtained from the Collector and submitted to Government in due course.

3. Should Government be pleased to sanction the proposed acquisition, the subsequent alienation of the land in favour of the Municipal Council will be within the powers of the Local Government under para 9 of the Government of India

READ-- letter from L.M.Wynch Esquire, Acting Collector of South Arcot, to the Secretary to the Commissioners of Land Revenue, Madras, Ref.on No.27/Eng.Supt of 1899, dated 12th January 1899.

Reference No. 50 (~~Petition~~) dated 17th January 1899. ~~1898.~~

The Board submits to Government for approval and publication in the Fort Saint George Gazette the accompanying draft notification received from the Collector of South Arcot for the acquisition of I.34 acres of Inam lands in Tirupapuliyur village, Cuddalore Taluk, required for the construction of a Municipal Dispensary for women and children. The inclusion in ~~of~~ the draft notification of the 10 cents of land which are already at the disposal of Government was unnecessary and the entries made on that account have been struck out. As the Collector requests sanction for taking possession of the Inam lands under Section 17 of Act I of 1894, the necessary addition has been made in the draft notification.

The necessary alteration has been made in the heading of the notification.

2. The estimated cost of acquisition is given as Rs.1080. The Collector points out that a sum of nearly Rs.200 will have to be paid in cash. The Board has separately pointed out the source from which the entire cost of acquisition can be met in case the money compensation awarded has to be deposited in Court under section 31(2) of the Act.

3. The Collector reports that the owners of the Inam lands have consented to part with them. He is requested to submit proposals for the grant of fresh land in exchange for the 1.30 acres of Temple Inam land. With regard ~~regard~~ to the remaining 4 cents of Personal inam land, the Collector is himself

competent to grant either money compensation or fresh land on ryotwari tenure under section 31(4) of the Act.

FOR ORDERS.

In the D.O. read above the Collector states that the prese dispensary at Cuddalore is mainta by the Municipal council and the District Board in a rented building and that it has been settled to construct one on the standard plan at the cost of Rajah Sir Savalai Ramasawmy Mudaliar who has announced his intention of ~~giving~~ making a gift of Rs 10,000 for the purpose. It appears that ~~the~~ Rajah Sir Savalai Ramasawmy Mudaliar has asked the Collector to acquire a site at once so that the foundation stone may be laid by His Excellency the Govr. when he goes there ~~to~~ on the 10th proximo or possibly earlier. As neither the Municipal council nor the District Board could afford ~~to~~ buy the site, the

The Collector desires to know as early as possible whether he may proceed to make arrangements for the ceremony of laying the stone on the assumption that Government will give Rs 1000 for the site and present it to the Council.

To the Under Secretary

The cost of construction, repair and maintenance of hospitals and dispensaries is a charge on the Local & municipal funds (vide section 95 (iii) of Act V of 1884 and section 113 (ii) of Act IV of 1884). In the present case, however, the municipal council being in debt and the D. Board being unable to buy the site, the Collector proposes that the site should be acquired at the cost of Government as a special case. If this is approved, the charge should be met from Provincial funds (vide also Mr. Wynch's letter ~~to~~ d/ 8.1.99 to Rajah Sir S. Ramaswamy Mudaliar enclosed in D.O. current No. 9.); and ~~which~~ ~~therefore~~ it will have to be sanctioned in the Revenue Dept. The L & M Dept. may, however, be consulted as to whether the cost could be met from funds at its control.

In D.O. current No. 9, Rajah Sir S. Ramaswamy Mudaliar requests the Secretary to expedite matters, to send a reply to Mr. Wynch and also to favour him with a note on the subject.- Submitted that ~~the~~
