Read the following

Letter from the Superintending Engineer II Circle
No. 1302 K dated 28th April 1898:-

The fortnightly narrative of the Nellore -
District for the fortnight ending 28th February was received
by me with your endorsement No. 1028 W. dated 25th April 1898
on 28th Instant, that is to say, nearly two clear months after
the period to which it refers.

Order thereon. No: 12174/13.5-98

Communicated to the Revenue Depart-
ment.

2. The fortnightly narrative in question was printed
with G.O. No. 188 Revenue dated 31st March 1898, which was -
received in the P.W. Secretariat on 22nd April 1898. The nar-
ratives are consequently practically useless as far as this
Department is concerned, and it was the same during the famine
of 1896-97. It is suggested that collectors should send direct
to Suptg. Engineers, copies of their narratives or of such por-
tions of them as are of interest to this Department.
