OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),
Madras, 19th December 1898. ~~189~~ .

READ— again Board's Proceedings, No. 771 Misc., dated 16th March 1898, passing orders on letter from the Collector of Coimbatore requesting instructions as to whether the No. of talayaris provided at the revision of village establishments can be increased with reference to the Census of 1891.

Read also letter from J.A. Cumming, Esquire, Acting Collector and District Magistrate of Coimbatore, Dis. No. 882/Mag. of 1898, dated 25th November 1898.

Reference No 1454 (~~Petition~~) dated 19th December 1898.

The Collector of Coimbatore reports that, in pursuance of the instructions issued in para 6 of Government Order No. 978 Judicial, dated 8th July 1897, communicated with Government Order, No. 4141 Misc. (Rev.) dated 9th August 1897, the district Superintendent of Police has proposed the entertainment of 41 additional talayaris for 38 villages in the district either on account of their geographical position or physical characteristics or the predilection of their inhabitants for crime. After consulting the Divisional officers and the Tahsildars concerned, the Collector is of opinion that 15 talayaris, as shown in the statement appended, may be allowed on administrative considerations and accordingly recommends that this number may be sanctioned. The Board finds that, according to the population recorded at the Census of 1891, ten of the villages named by the Collector are entitled to extra talayaris at the rate of one for each under the Anantapur scale, which is slightly more liberal in regard to talayaris than that

See 9 of the Village Cess Act IV of 1893

The Supt. of Police has recommended the entertainment of 41 addl talayaris for 38 villages in the Coimbatore District either on account of their geographical position or physical characteristics or the predilection of their inhabitants for crime but the Collector & the Board consider that 15 addl men will be sufficient. The charges of the village service found in the Coimbatore district exceeded the receipts in 1897-98 by about Rs 17,500 (Rs 2,62,175 — Rs 2,44,692) - The village cess was levied at 7 pies in the rupee from 1 July 1897; as it will be raised to 8 pies in the rupee from 1 July 1899 there will be no deficit in future - It may be observed that the rate of cess is uniform throughout the Presidency & is varied from time to time with reference to the requirements of the whole Presidency. If the proposal to entertain 15 addl men be approved the addl cost involved —

Rs 45 p.m. or Rs 540 per annum — may be met from the lump provision in the budget under "anticipated increases on account of revision of village establishments".
