MAY.

Submitting to Government, for approval and publication in the Fort St. George Gazette, draft notification under section 16 of the Madras Forest Act for the constitution of the Rapur-Veligonda extension B block, in the Rapur taluk, Nellore district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE (LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, Madras (through the Conservator of Forests, Central Circle), dated 6th January 1898, No. 1185-For. :—

I have the honour to enclose copy of the Forest Settlement-officer's letter No. 105, dated 26th September 1897, reporting the completion of the settlement of the Rapur-Veligonda extension B, and to request that Government may be moved to issue notification under section 16 therefor.

2. The claim register, draft notification, area statement, sketch-map and numerical statement of claims are enclosed.

3. The Forest Settlement-officer's recommendation regarding the Reddigunta is unobjectionable.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 25th September 1897, Ref. No. 105-Cur.

I have the honour to report the conclusion of the settlement of the proposed Rapur-Veligonda extension B block in the Rapur taluk of your district.

2. The initial notification, under section 4 of the Madras Forest Act, proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 11th February 1896, and the proclamation under section 6 of the Act was published in the District Gazette of May 1896.

3. The block was inspected, perambulated and inquired into by me in April 1897 and 22 claims were preferred for the following rights:—

- (i) Twenty claims to certain rights of way.
- (ii) Two claims to a right to repair a tank and a gunta.

Of the twenty claims to certain rights of way, fourteen claims were admitted, and the remaining claims were rejected as unnecessary.

The claims to repair the tank and gunta as a right were rejected, but, as Reddigunta is situated on the west side of the cart-track from Kegacherla to Penchalakona and adjoining it and is useful to pilgrims and travellers using that road, there could be no objection to grant the claimant the privilege of repairing it subject to the control of the forest department, and I accordingly recommend this.

4. The reserve is thus free of all rights except those stated above.

5. The following are submitted herewith:—

- (i) A signed copy of the B. register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch of the reserve.
- (iv) Numerical statement of claims.

6. The date from which reservation is to take effect has to be inserted in the draft notification.

This enters the reserve just at the junction of Penubarti, Gonnupalli and Akilvalasa villages and passes through the reserve only to a distance of one chain forty links. The cart-track may here be diverted a little further east outside the proposed reserve. Hence it is unnecessary to allow it at its present position and the claim may not therefore be admitted.	Claim admitted. The cart-track may hereafter be diverted if it is possible to provide a suitable substitute outside the reserve. The width allowed will be five yards. (Signed) E. A. SMITH, Forest Sett.-officer. 1st July 1897.

Claims on behalf of the ryots of Akilivalasa right to enter the reserve for the purpose of repairing Paddachernu tank on Government land inside the reserve which feeds the Jogi and Akili tanks and to take earth for necessary repairs.		This is a Government tank and the claim to use it as a right must be rejected. If necessary, it will be allowed as a privilege on a separate application from the parties concerned.	1st July 1897. Claim rejected as unnecessary as the tank is Government property and the necessary repairs to it by Kudimuramat could always be arranged for by the Tahsildar. (Signed) E. A. On inspection it was found that it is used only as a foot-path. Its length inside the reserve is about two and a half miles.	This may be admitted to a width of three feet like similar rights of way admitted in the main reserve.	Admitted as a foot-path to a width of one yard for men only. (Signed) E. A. SMITH, Forest Sett.-officer.

Reserved forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Rapur-Veligonda extension B block, in the Rapur taluk, as a —, ordered to be published in the Fort St. George and the Nellore District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 165, dated 2nd May 1898:—

Read—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, Madras (through the Conservator of Forests, Central Circle), dated 6th January 1898, No. 1185-For.:—

I have the honour to enclose copy of the Forest Settlement-officer's letter No. 105, dated 26th September 1897, reporting the completion of the settlement of the Rapur-Veligonda extension B, and to request that Government may be moved to issue notification under section 16 therefor.

2. The claim register, draft notification, area statement, sketch-map and numerical statement of claims are enclosed.

3. The Forest Settlement-officer's recommendation regarding the Reddigunta is unobjectionable.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 25th September 1897, Ref. No. 105-Cur.

I have the honour to report the conclusion of the settlement of the proposed Rapur-Veligonda extension B block in the Rapur taluk of your district.

2. The initial notification, under section 4 of the Madras Forest Act, proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 11th February 1896, and the proclamation under section 6 of the Act was published in the District Gazette of May 1896.

3. The block was inspected, perambulated and inquired into by me in April 1897 and 22 claims were preferred for the following rights:—

- (i) Twenty claims to certain rights of way.
- (ii) Two claims to a right to repair a tank and a gunta.

Of the twenty claims to certain rights of way, fourteen claims were admitted, and the remaining claims were rejected as unnecessary.

The claims to repair the tank and gunta as a right were rejected, but, as Reddigunta is situated on the west side of the cart-track from Kegacherla to Penchalakona and adjoining it and is useful to pilgrims and travellers using that road, there could be no objection to grant the claimant the privilege of repairing it subject to the control of the forest department, and I accordingly recommend this.

4. The reserve is thus free of all rights except those stated above.

5. The following are submitted herewith:—

- (i) A signed copy of the B. register of claims.
- (ii) The draft notification under section 16.
- (iii) The sketch of the reserve.
- (iv) Numerical statement of claims.

6. The date from which reservation is to take effect has to be inserted in the draft notification.

1	Penubarti Gurmurti, karnam of Gonupalli.	27th April 1897.	Claims on behalf of the public right of way over the cart-track from Oblaipalli to Gonupalli.	This enters the reserve west of the trijunction of Penubarti, Gonupalli and Akilivalasa and running south-east for about one chain forty links, leaves the reserve south of the trijunction.	This enters the reserve just at the trijunction of Penubarti, Gonupalli and Akilivalasa villages and passes through the reserve only to a distance of one chain forty links. The cart-track may here be diverted a little further east outside the proposed reserve. Hence it is unnecessary to allow it at its present position and the claim may not therefore be admitted.	Claim admitted. The cart-track may hereafter be diverted if it is possible to provide a suitable substitute outside the reserve. The width allowed will be five yards. (Signed) E. A. SMITH, Forest Sett.-officer. 1st July 1897.
2	Dugamati Nagiah, karnam of Akilivalasa.	Do.	Claims on behalf of the people of Valasa and Oblaipalli (hamlet of Akilivalasa) right of way over the cart-track from Gonupalli to Oblaipalli (hamlet of Akilivalasa).	...	This cart-track need not be admitted as the same was not done so in the main reserve.	Claim rejected as the right of way was not admitted in the main reserve. (Signed) E. A. SMITH, Forest Sett.-officer. 1st July 1897.
3	Penubarti Gurmurti, karnam of Gonupalli.	Do.	Claims on behalf of the public right of way over the cart-track from Gonupalli to Karakona.	... 6	Dugamati Nagiah, karnam of Akilivalasa.	Do.	Claims on behalf of the people of Valasa right of way over the cart-track from Valasa to Mallab Kona or Mamadi Kona.	...	This need not be admitted as the same was not allowed in the main reserve.	Claim rejected as the right of way was not admitted in the main reserve. (Signed) E. A. Claims on behalf of the ryots of Akilivalasa right to enter the reserve for the purpose of repairing Peddacheruvu tank on Government land inside the reserve which feeds the Jogi and Akili tanks and to take earth for necessary repairs.		This is a Government tank and the claim to use it as a right must be rejected. If necessary, it will be allowed as a privilege on a separate application from the parties concerned.	1st July 1897. Claim rejected as unnecessary as the tank is Government property and the necessary repairs to it by Kudimarat could always be arranged for by the Tahsildar. (Signed) E. A. SMITH, Forest Sett.-officer.	
9	Dugamati Nagiah, karnam of Akilivalasa.	29th April 1897.	Claims right to enter the reserve and to repair Reddi gunda situated on the west side of the cart-track from Tegacherla to Panchalakona as well as the right to take earth for the repair of the gunda. They will be allowed as privileges, if found necessary.	1st July 1897. Claim rejected as a right; but as the gunda is situated by the side of the Tegacherla-Panchalakona cart-track, and is useful to pilgrims and travellers using that road, the claim will be recommended as a privilege subject to the control of the Forest department. (Signed) E. A. SMITH, Forest Sett.-officer.	
10	Veerapa Reddi Marsareddi, Village Munsif of Tegacherla.	27th April 1897.	Claims on behalf of the public right of way over the foot-path from Gonupalli to Valasa.	This enters the reserve above six and a quarter chains east-south-east of the southernmost corner of survey No. 244 of Gonupalli and running in a south-easterly direction leaves it about 62-34 chains north of the south-west corner of survey No. 1 of Akilivalasa. On inspection it was found that it is used only as a foot-path. Its length inside the reserve is about two and a half miles.	This may be admitted to a width of three feet like similar rights of way admitted in the main reserve.	Admitted as a foot-path to a width of one yard for men only. (Signed) E. A. SMITH, Forest Sett.-officer.	
11	Penubarti Gurmurthi, karnam of Gonupalli.	27th April 1897.	Claims on behalf of the people of Valasa right of way over the cart-track from Valasa to Gonupalli.			2nd July 1897.
