Presidency Port Office,

Madras, 18 January 1899.

Heading.

From

Commander H. A. Street, R. E. M.,
Presidency Port Officer,
Madras.

To

THE SECRETARY TO GOVERNMENT,

~~Revenue~~ MARINE DEPARTMENT,

ЧЕРАК.

Sir,

I have the honour to request that sanction of Government may be obtained to my having the use of the Pearl Fishery steamer "Margarita" for inspecting the coast ports this season. The cost to Govt funds for using the "Margarita" for this purpose is expected to be about the same as it was when the vessel was employed for the same purpose last season and can be met from the provision made for it in the Budget of 1898/99.

2. I have been informed by the

Superintendent of Pearl Fisheries that
the "Margarita" will not be required for
fishery work till the end of February
next and have applied to the Board
of Revenue for the use of the vessel
from the 23rd instant.

I have the honour to be,
Sir,
Your obedt. servant,

A. A. Theet

Commander, R. I. M.,
Perry Port Office

Under Secretary's query on the draft
endorsement on the letter from the
Presidency Port Officer 8, 18.1.99 (No. 492/99)

B / sanction? The second asst has
papers on this matter - Consult him.

A The loan of the vessel to the
P. P. O appears to have hitherto been
sanctioned by the Govt - please see
P.O's 320 mis and 6313 his

B The collector of S. Canara
proposed the hire of a brig at Rs 1500 per
month for the first month, and Rs 50 per
day beyond that period; and the Board
was asked by telephone to state
whether the amount required for the
trip (Rs 2500) could be made available.
In reply the Board, while pointing out
the source from which the cost could
be met, stated that the "Margarita"
was not needed for the Pearl fishery
work until the end of February, but
that as the charge for its use had been
fixed at Rs 190 per diem, it would
be advantageous to use the vessel.

- the S. Canera and the Malabar Laccadives.
 At the same time it also stated that
 the Presidency Port officer ~~had~~ enquired
 whether the vessel could be placed
 at his disposal from the 23rd inst.
~~The~~ file has gone to the Fin.
 Dept enquiring whether the hire of
 the brig can be sanctioned on
 the terms proposed. The "Margarita"
 will ~~in~~ in any case not be
 required for the inspection of the
 Laccadives, as, according to the
 Presidency Port officer the vessel
 is unfit to be kept out of sight
 of the coast for many hours at
 a time.
