APRIL.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification, under section 4 of the Forest Act, for the constitution of the Guttikonda extension 3 block in the Palnad taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from R. MORRIS, Esq., M.A., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 12th November 1898, Dis. No. 1096-Forest. :—

I have the honour to submit herewith a draft notification under section 4 of the Madras Forest Act, for the Guttikonda extension No. 3 block for the approval of the Board and Government and publication in the *Fort St. George Gazette*.

2. The block was originally selected by the late District Forest-officer, Mr. A.W. Lushington in July 1894, but had to lie over for survey and mapping which was undertaken by the forest surveyor in October 1897, when the boundary was slightly modified.

3. The proposed block covers an area of 908 acres in the Petasanigandla village, the greater portion consisting of the unsurveyed wastes of that village, and from the ayakat statistics furnished by the Tahsildar it does not appear that there is any great demand for land for cultivation, and therefore there is no objection to the inclusion of the few assessed fields taken up for the block.

4. The sketch-map, area statement, ayakat abstract, and demarcation certificate are attached.

ENCLOSURES Nos. 1 to 5 —Certificate, &c.

Endorsement by E. D. M. HOOPER, Esq., Acting Conservator of Forests, Northern Circle, Camp, Russellkonda, dated 26th November 1898, R.C. No. 965.

Forwarded. The assistant surveyor is not, in my opinion, a responsible demarcator, while the inspection by the ranger is not dated and may have preceded the demarcation.

Reference on the above dated 16th December 1898, No. 481.

It is observed that the proposed reserve is not included in the Collector's list No. 465, Revenue, dated 19th August 1898. He is accordingly requested to report whether fresh numbers have been assigned to the several of the extensions of the Guttikonda reserve (selections) therein named and whether the block in question is one of them.

(Signed) LIONEL DAVIDSON,
Acting Secretary.

To the Collector of Kistna, with four enclosures and map.

READ—the following letter from R. MORRIS, Esq., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 11th February 1899, Dis. No. 213-R. Genl. :—

In reply to Board's Reference on Forest Register No. 481 of 16th December 1898, I have the honour to inform you that Guttikonda extension 3 is one of the blocks originally selected as will be seen from my Annual Form No. 44 and that its omission in the list submitted with my Dis. No. 1134-Forest of 6th November 1897 was a mistake. As the block is an extension to the main reserve and contains a good growth, I recommend its retention. The enclosures received with the Board's reference above quoted are herewith returned.

RESOLUTION—Forest No. 157, dated 5th April 1899.

In the first of the letters read above the Collector of Kistna submitted a draft notification under section 4 of the Forest Act for the Guttikonda extension 3 block in the Palnad taluk; but as the extension was not included in the Collector's list of selections approved by Government in its Order, No. 465, Revenue, dated 19th August 1898, the Collector was requested to report whether fresh numbers had been assigned to the selected blocks therein named. The Collector now states that the block in question was omitted by mistake in his forecast and recommends its retention on account of the good growth of *Albizzias* and *Acacias* it contains. Sufficient unreserved land has been left outside the block for the extension of cultivation and for free grazing. In these circumstances the Board sees no reason to withhold its recommendation to the reservation of the block and accordingly submits to Government the draft notification in respect of it for approval and publication in the *Fort St. George Gazette*.
