Recommending to Government the abolition of the T.T. Assistant Inspector sanctioned for the Chittoor Circle and of the clerk and the orderlies allowed to him, and requesting sanction for the services of the clerk being utilized in the office of the Assistant Commissioner, Calicut Sub-Division.

PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

RESOLUTION—No. 101, dated 8th May 1899.

On the introduction of the T.T. system into the Palmanér taluk and the Punganúru and Kangundi zemindari divisions in October 1896, the limits of the Chittoor Circle which originally comprised the Chittoor and the Chendragiri taluks and the Punganúru zemindari division were proposed to be revised for the addition thereto of the Palmanér taluk and the sanction of Government was applied for for the appointment of an Assistant Inspector with head-quarters at Palmanér to help the Inspector in issuing T.T. licenses and watching the Mysore frontier for arrack and toddy smuggling (*vide* paragraph 29 of Board's Proceedings, No. 199, dated 29th May 1896, disposed of in G.O., No. 294, Revenue, dated 13th June 1896). The Deputy Commissioner now reports that the work done by the Assistant Inspector is ridiculously small since he has issued only 497 licenses and detected four abkari cases and that it is no longer necessary to watch the frontier as all the toddy that crosses the border is exported not imported and as there has been no smuggling of arrack from the Mysore side owing to the price there being as high as, if not higher than, in the Chittoor Circle. The Assistant Commissioner also has thoroughly satisfied himself after inspection of the circle that the Assistant Inspector and his orderlies may be abolished and that the work can be efficiently done by the Inspector. The Board agrees with the local officers and recommends accordingly. A proposition statement for the subordinate establishment is herewith submitted.

2. The clerk on Rs. 20 now allowed for the Assistant Inspector will no longer be necessary but instead of abolishing that appointment the Board proposes to apply for sanction for its being utilized for the office of the Assistant Commissioner, Calicut Sub-Division, where work is heavily in arrears and complaint of insufficiency of establishment is constant. The Board has had a report from the Deputy Commissioner, Southern Division, on his inspection of the Assistant Commissioner's office and finds from it that the present establishment is unequal to cope with the amount of work demanded of it.
