neons dated 29th November last —
Communicated with B. P. No 7083 Mis-
cellaneous, dated the 8th Current, it is
stated that orders on the scheme for
the resettlement of the Godavari
district are likely to issue in time
to permit of its introduction during
the current Fashi 1308 which ends
with the 30th June 1899. But the period
for presenting applications for
taking water for Fashi 1309 expires
under the existing water-rate
rules with the end of March 1899,
or three months before the close
of Fashi 1308, and as it will not
be practicable to introduce the
resettlement into all the Taluks
of the Godavari district and
into the four Taluks of the
Masulipatam portion of the
Kistna District before the end
of March 1899, the publication
of

Rule II of the
Rules printed as
an appendix
to para 2 of
Bos SO No. 4

regards water applications
for Fashi 1309 seems necessary
to remove any misconception
in the matter.

Resolution.

Submitted for the orders
of Government.

2. The Board supports the Deputy
Commissioner's proposal. A similar
notification in respect of appli-
cations for water for Fashi 1308
was approved by Government
in its order no. 144 Revenue, dated
10th January 1898.
