2. The notification under section 4 proposing to constitute this area into a reserved forest appeared in the *Fort St. George Gazette*, dated 6th September 1898, and the proclamation under section 6 was published in the District Gazette Supplement, dated 11th October 1898.

3. The block was perambulated, inspected and enquired into by me in October 1898, and twenty-nine claims in all were filed for the following rights:—

(i) Twelve claims to right of way over two cart-tracks and three foot-paths.
(ii) One claim to Government patta right over 3·15 acres of land.

4. Eight claims involved in item (i) and the fifteen claims in items (ii) and (iii) were fully admitted, one claim involved in item (i) was partly admitted and partly rejected, and the rest were fully rejected.

5. The last rejected easement claim was disposed of on the 2nd December 1898 and the appeal time expired on the 31st January 1899 without any appeal being filed.

6. The block is thus free of all rights except those admitted above.

1 I.	Rajupathi, karnam of Sidhout.	19th Oct. 1898.	Advances, on behalf of the public, right of way over the cart-track from Buchammagaripalle through Sidhout village to Machupalle. It enters the reserve at the second khandam stone about three-quarters of a furlong south-east of the first khandam stone at the corner of khandam No. 5 of Sidhout, runs west for three-quarters of a furlong and quits it about two and a half chains south of the south-east corner of survey No. 54 of Gundlamula.	Does not contest the claim and would exclude the cart-track by the alteration of the reserve boundary.	The claim being proved is admitted. The cart-track will be excluded from the reserve by the alteration of its boundary. (Signed) K. GANAPAIYA, Forest Sett.-officer. 30th November 1898.
2 and 3 II and III.	Venkatesaiya, karnam of Nekunampuram.	Do.	Advances, on behalf of the public, right of way over the following foot-paths:— (2) Foot-path from Nekunampuram to Mulapalle. It enters the reserve about three furlongs north of the village boundary stone in the southern boundary, where the old reserve boundary turns south-south-west and forms an angle, runs west and north-west for about one and a half miles and quits Nekunampuram village limits to a point where the five villages including Nekunampuram meet and joins the foot-path going north-west to Mulapalle. (3) Foot-path from Nekunampuram to Kanamalapalle. It is the same as the above up to where it meets the foot-path going from Mulapalle to Kanamalapalle by which goes south.	Does not contest the claims.	The claims being proved are admitted. The foot-paths will be open for men and cattle each to a width of four feet. (Signed) K. GANAPAIYA, Forest Sett.-officer. 30th November 1898.
15 and 15 IV and V.	Venkatesaiya, karnam of Mulapalle.	21st Oct. 1898. (16) Foot-path from Mulapalle to Nekunampuram. It is the same as the above as far as one furlong south, and then branches south-east and runs for about half a mile to the village boundary stone where five villages meet to join the foot-path from Nekunampuram. Does not contest the claim.	*Claim* 15.—The claim as a cart-track does not seem to have been admitted in the old reserve, and as such, it is rejected; but the claim as a foot-path is admitted since its continuation was admitted in the old reserve as a foot-path and will be open for men and cattle to a width of four feet. *Claim* 16.—The foot-path will be open for men and cattle to a width of four feet. (Signed) K. GANAPAIYA, Forest Sett.-officer. 30th November 1898.
