Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of the Kadugandi extension No. I block in the Palkonda taluk, Vizagapatam district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from R. H. L. LUSHINGTON, Esq., Forest Settlement-officer, Ganjám, &c., Districts, to the Collector of Vizagapatam, dated Camp, Waltair, 9th October 1897, No. 157:—

I have the honour to report the conclusion of the settlement of the Kadagandi extension block No. 31 of Palkonda taluk of your district.

2. The notification under section 4 proposing to constitute this area a reserved forest appeared in the *Fort St. George Gazette*, dated 16th March 1897, and the proclamation under section 6 was published in the District Gazette, dated 1st May 1897.

3. I perambulated and inquired into the claims in the block in August 1897. Two claims were filed in all—one claim was to right of way over a cart-track which was admitted, and one claim was to repair a feeder channel which was also admitted.

4. The block is free of all rights except the above.

5. The date for presentation of claims expired on 31st July 1897.

6. No time was allowed for appeals, seeing that the claims were all admitted.

7. There is a discrepancy in the original boundary description (section 4) at the closing point of the east boundary of the block, which is given as the north-east corner of survey No. 39 of Appalapatnayudupet; but, according to the map of the reserve prepared under section 4 and the line cut on the ground, this is a mistake, the intention of the original notification being to close the east boundary at the trijunction of Kadagandi reserve, Appalapatnayudupet village and Gopidevipet agraharam.

8. The following records are sent herewith:—

(*a*) B. Register of claims.
(*b*) Draft notification under section 16.
(*c*) Numerical statement of claims filed and disposed of.
(*d*) Sketch of the block.

9. The date from which reservation is to take effect has to be entered in the draft notification.

Endorsement by W. O. HORNE, Esq., Acting Collector of Vizagapatam, dated Camp, Narasapatnam, 24th November 1897, Ref. on Cur. No. 276—27-11 Forest.

Forwarded to the Secretary to the Commissioners of Land Revenue, Madras, through the Conservator of Forests, Northern Circle, Waltair.

Endorsement by A. W. PEET, Esq., Conservator of Forests, Northern Circle, dated Camp, Berhampur, 4th December 1897, R.C. No. 933.

Forwarded.

Reference—dated 14th March 1898, No. 103.

Although the claim preferred is for the exclusion or repair of the stream which feeds certain tanks lying outside the reserve, the Forest Settlement-officer admits a right to repair the tank. The draft notification, however, sets out correct details in respect of the admitted right. The Forest Settlement-officer should be directed to make the necessary amendment in the claim register.

2. On comparing the draft boundary description with the map, it is found that the main reserve forms the eastern boundary of the proposed extension. As the former is not yet finally notified, the boundary of the latter should be described independently of the other.

3. As the discrepancy pointed out in paragraph 7 of the Forest Settlement-officer's report is not liable to be mistaken on the ground, no action need now be taken in respect of the initial notification. In this connection it is noted that the north-west corner referred to in the same paragraph is a mistake for north-east corner.

4. An early return of the papers duly revised is requested.
