Read Proceedings of the Board of Revenue, Land Revenue, No. 3224 Misc., dated 15th November 1898, communicating to the Collector and Agent to the Governor in Ganjam for information and guidance letter from the Accountant-General, stating that the receipts and charges of attached ^{and estates} ~~tates~~ under Government management should be shown under "Personal Deposits" in Treasury accounts.

Order:- No. 33, dated 16th January 1899.

2. With reference to the question raised in paragraph 10 of the Agent's letter, the Board of Revenue will be informed that in the opinion of Government, Madras Regulation II of 1819, confers the power of placing under attachment property of every description included in an estate. By the order of attachment in the present case, however, only the lands have been attached, and the Government has therefore no objection to the zamindar's collecting the debts, provided that such a course is deemed by the Agent to be consistent with the maintenance of the public peace and order. But if the collection of the debts leads to disturbance or difficulty, the Agent should apply to Government to have the terms of the order of attachment enlarged.
