To
The Revenue Secretary to the
Government of Burma.

Sir,
I am directed to acknowledge the receipt of your letter No. 341/IC-2., dated the 15th March 1899, requesting (1) that type-casting machines may be exempted from the import duty leviable thereon under No. 14 of Schedule IV of the Indian Tariff Act, VIII of 1894, and (2) that the duty levied on a type-casting machine imported by the American Baptist Mission at Rangoon and on any others that may be imported before general exemption is granted, may be refunded.

2. As regards (1) I am to refer you to Notification No. 2372-S.R., dated the 23rd May 1899, of which copy is enclosed.

3. As regards (2) I am to say that it appears from paragraph 2 of the letter from the Chief Collector of Customs, Rangoon, No. 800/5, dated the 2nd February 1899, that the machine imported is worked and is capable of being worked by manual labour only. This being so the machine

machine is dutiable under No. 13 of the Tariff Schedule, and the Governor General in Council does not consider it expedient at present to make any general exemption under that head. But His Excellency in Council sanctions, as a special case, the refund of the duty levied on the machine in question. If there are further importations of such machines the question of their exemption may be referred for consideration.
