PROCEEDINGS OF THE BOARD OF REVENUE

(Revenue Sett.)

Dated 23rd January 1899. No.482 Mis.

Read the following letter from W.Hughes Esq., Chief Engineer for Irrigation, Madras, No.19 M. dated 21st -- Jany. 1899:-

With reference to the Proceedings of the Board of Revenue, No.417, dated 11th Novr. 1898 in which the anticipated increase in the current year's revised estimate and the ensuing year's budget estimate of indirect revenue from the Godavari -- delta is ascribed partially to the expectation that the resettlement of the district will be introduced during the current year 1898-99 (Fasli 1308), I am directed to enquire that as the resettlement of the district will certainly not be introduced before 1st April 1899, whether the Board thinks that any change in the figures should be made.

2. Pending the receipt of the information now asked, the statements showing the revised estimate for 1898-99 and the -- budget estimate for 1899-1900 of revenue and expenditure du[e] with the Government of India on the 15th Instant cannot be submitted. Please therefore treat this reference as very emergent.

Read also the following telegram to the Collector of Godavari, dated 21st January 1899:-

"Resettlement being postponed to next fasli, please wire urgent reduction to be made irrigation revenue current year revised estimate and any modificatio[n] budget estimate next year".

Read also the following reply telegram from the Collr. of Godavari dated 23rd January 1899:-

"Irrigation revenue revised estimate please deduct -- under Godavari delta item 1 two lakhs item 5 ten thousand under Kistna delta item 1 ten thousand item 5 five hundred total net deduction 199500 no alteration next year's budget".

R e s o l u t i o n :-

With reference to the statement in G.O. No.1249 Financial dated 19th December 1898 that it is unlikely that orders will be issued on the Board's reports on the resettlement of the Godavari district in time for the introduction of the revised rates of assessment during the current fasli. The Collr. of Godavari states in his telegram read above in reply to a telegram from the Board that the revised estimate of irrigation revenue under the Godavari and Kistna deltas ~~xxxxxxxx~~ entered in the Memo. submitted with B.P. dated 11th Novr. 98 No.417 should be reduced by Rs.2 lakhs and Rs.10000 respectively. The Board accordingly requests that the revised figures and the remarks enterted in the accompanying statement may be substituted for those embodied in the Memo. referred to above.
