READ— letter from R. Morris Esqr., Collector of Kistna, dated 4th March 1899, Dis No. 231R / Genl: of 1899 to the Secretary to the Commissioners of Land Revenue, Madras.

Reference No. 27 dated 20th March 1899

In its order No. 351 Political dated the 4th June 1896, (vide item 14 in the statement printed as appendix to the Government Order) Government ordered the resumption of a mosque inam covered by Title deed No. 642 in the Village of Kapileswarapuram in the Mazvid Taluk of the Kistna District on the ground that there was no mosque in existence in the village. It is now reported that there is another mosque inam in the same village covered by Title deed No. 726 and measuring 65.33 acres, that it is subject to a Jodi of Rs. 10 per Candy of grain payable to the Zamindar, and that the latter has illegally resumed the major portion of the inam, on account of the non-payment of the Jodi. The Collector states that there is nothing to show whether the two inams were granted for two distinct mosques or for only one mosque in the village, and that the only structure now in existence is a "panja" i.e. a thatched shed in the midst of a Muhammadan burial ground where worship is paid to the images of certain saints (sic). Some of the inamdars urge that this shed is the mosque under reference, but Mr. Morris points out that there is a marked distinction between a mosque and a "panja" and that in the present case it is unlikely that there never was a mosque, inasmuch as in the case of both the grants, a "mosque" is specifically mentioned in the inam

A jodi of Rs 10 per candy

of this Jodi into a fixed

There is no legal objection

the Zamindar is not
likely to object. The pro-

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Reference from the Board of Revenue (Land Revenue), B. No. 97, dated 20th March 1899 :—

Read—letter from R. MORRIS, Esq., I.C.S., Collector of Kistna, to the Secretary to the Commissioners of Land Revenue, dated 4th March 1899, Dis. No. 231-R.—Genl.

Reference—B. No. 97, dated 20th March 1899.

In its Order No. 354, Political, dated the 4th June 1898 (*vide* item 14 in the statement printed as appendix to the Government Order), Government ordered the resumption of a mosque inam covered by Title-deed No. 612 in the village of Kapileswarapuram in the Nuzvid taluk of the Kistna district, on the ground that there was no mosque in existence in the village. It is now reported that there is another mosque inam in the same village covered by Title-deed No. 726 and measuring 55.83 acres, that it is subject to a *jodi* of Rs. 10 per candy of grain payable to the zamindar, and that the latter has illegally resumed the major portion of the inam on account of the non-payment of the *jodi*. The Collector states that there is nothing to show whether the two inams were granted for two distinct mosques or for only one mosque in the village, and that the only structure now in existence is a "panja", *i.e.*, a thatched shed in the midst of a Muhammadan burial-ground where worship is paid to the images of certain saints (*sic.*). Some of the inamdars urge that this shed is the mosque under reference, but Mr. Morris points out that there is a marked distinction between a mosque and a "panja", and that in the present case it is unlikely that there never was a mosque, inasmuch as in the case of both the grants a "mosque" is specifically mentioned in the inam register. The Collector therefore proposes to resume the inam covered by Title-deed No. 726, and after its resumption to commute the fluctuating *jodi* payable to the zamindar into a fixed payment. The Board concurs with the Collector and submits his proposal for the sanction of Government.
