Office of the Board of Revenue,
(Land Revenue),

Madras, dated 21st. November 1898.

Read letter from E.Scott Esq., Ag. Collector of ---
Nellore to the Secretary to the Commissioners of Land Revenue, Mad-
ras, Ref.No.1980-Ver., dated 23rd. September 1898; and reference there-
on dated 10th October 1898, No.1144.

Read also letter from C.M.Mullaly Esq., Ag. Collec-
tor of Nellore, Ref.No.1980-Ver., dated 8th November 1898.

Reference No.1321, dated 21st. November 1898.

The Collector of Nellore recommends the resumption
of three charitable inams covered by Title-deeds Nos. 2282, 2281 and
1516 in the village of Nidimusili in the Nellore Taluk. on the ---
ground of the inamdars' failure to fulfil the conditions of the --
grant.

2. The grant covered by Title-Deed No. 2282 is a tope
inam measuring 5.45 acres and bearing an assessment of Rs. 6.18.0. It
was confirmed by the Inam Commissioner permanently so long as the
tope exists on the land and the fruit thereof is left for the bene-
fit of the public. The Collector reports that the tope no longer --
exists, there being only 15 or 16 trees scattered in different parts
of the field, and that the land is being regularly cultivated and -
the produce enjoyed by a person to whom the inam was sold by the -
inamdar some three years ago.

3. The inam covered by Title-Deed No. 2281 is of a ---
similar nature. The Collector states that the land which measures -
1.95 acres and bears an assessment of Rs. 1-7-0 now contains 400 --
palmyras and 1 tamarind tree, but that these are not left to be ---
freely enjoyed by the public, being in the exclusive possession of
certain persons who purchased the inam from the inamdars some ten
years ago, and are now cultivating the land and using it for grazing
their cattle to the exclusion of the public.

4. The inam covered by Title-Deed No. 1516 is a water-
pandal inam measuring 3.46 acres and bearing an assessment of Rs.
18.3.0. The Collector reports that no water pandal is being main---

maintained and that the inam land is in the enjoyment of a stranger -- who acquired it by purchase from the inamdar about 20 years ago.

5. In these circumstances, the Board requests the sanction of -- Government for the resumption of the three inams above referred to and for the transfer of the assessment thereon to the Taluk Board, Nellore, for utilization towards the maintenance of water-pandals within its -- jurisdiction. In the Taluk Board's resolution submitted by the Collector with his letter last read above, it is stated that that body "is --" willing to take up the management of the inams and utilize the income "for water-pandals". The Collector is requested to forward direct to -- Government a revised resolution of the Taluk Board giving its consent to accept the assessment of the inams, the lands themselves not being -- available for transfer.
