Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture),

Dated 10th September 189⁹.
No. 5472 Misc.

Read the following letter from L.M. Wynch Esquire, Ag. Collector of South Arcot, Ref. on Reg. No: 1175/Ver. dated 19th August 1898:-

I have the honor to submit herewith for approval and transmission to Government for publication in the Fort St. George Gazette a draft declaration for the acquisition of the lands required for the excavation of a channel to carry water to the Manalurpet tank in Tirukoilur taluk.

2. The work has been sanctioned in B.F. No: 1823 Misc. dated 12th March 1898 Sett. and is to be executed partly by Kudimaramut and partly at the cost of Government.

3. The acquisition is made at the cost of the interested ryots who have deposited the requisite amount into the Government Treasury. But as under Sec. VI. (1). of Act. I. of 1894, a portion at least of the cost of acquisition should be paid out of the Public Revenue, to render the acquisition valid under the Act, I recommend that a nominal sum of Rs. 1. may be contributed by Government, and request sanction for the payment of this amount from the District reserve under Minor Irrigation to which a portion of the cost of excavation of the channel is to be debited.

4. All the owners except 4. viz. Theetha Koundan, Chandiran

Kuppu

NOTIFICATION.

Under Section 6, Act I of 1894, the Right Honorable the Governor in Council hereby declares that the land mentioned in the following Schedule and measuring acres 2.05 is the same a little more or less, is needed for a public purpose, to wit, for extension of a canal to supply and, under Sections 3 and 7 of the same Act, the Deputy Collector, S.P. Sivakumar, is appointed to perform the functions of a Collector under the Act and directed to take order for the acquisition of the said land.

2. This being a case of urgency, the said officer is directed to take possession of the said land and hand over the same to the said act.

Subscribed and
for Collector

South Arcot District
Tiruchendur Taluk
Pambar Village

Koppu Mudaly and muthyan have consented to part with their lands. Translations of the objection statements of the 1st. three persons, which are in tamil are herin enclosed. The last named has not been examined as he is reported to have gone mad and his whereabouts are not known.

5. As the excavation of the channel, for which the lands to be acquired are required, is to be finished before the next North-East Monsoon sets in, permission is solicited to take possession of the lands at once under Sec. XVII. of the Act.

Resolution.

The draft declaration received with the Collector's letter read above will be submitted to Government with the Board's recommendation that it may be published in the Fort St. George Gazette. The land is required for the excavation of a channel to carry the Pennar water to the Manalurpet tank in the Tirukoilur taluk. With the concurrence of the Chief Engineer for Irrigation, the work was sanctioned in the Board's Proceedings quoted by the Collector, at the net estimated cost of Rs 710 in addition to a contribution in labour by ryots amounting to Rs 440. The ryots concerned are reported to have deposited a sum of Rs 214-6-0 towards compensation for land to be acquired. The cost of the acquisition of land is estimated, however, in the notification at Rs 130-11-5.

2. The nominal sum of one Pe. recommended by the Collector as contribution by Government will be sanctioned from the District grant for Minor Irrigation works for the current official year.

3. The permission solicited in the concluding para of the Collector's letter is recommended.
