Proceedings of the Board of Revenue

(Land Revenue).

NO. 2246/Mis., dated 19th August 1898.

Read Government Order, Revenue, NO. 2998, dated 18th July 1898.

Resolution.

From para 3 (a) of the Government of India Resolution NO. 2587 G.R. dated 9th June 1898, communicated with the G.O. read above, it would appear, that the three firms noted in the margin are the only ones in Madras from which tenders for the supply of safes and treasure-chests can be called for in future. (vide appendices A and B to the Government of India Resolution)

The Board observes that safes for Government offices in this Presidency have been obtained during the last 10 years not from the firms mentioned in Appendix B to the Government of India Resolution but from others, such as Messrs. D. Raju and Co. of the Victoria Works, St. Thome, and A. Sankaralingam Asary and Brothers, late of Dindigul but now doing business at Royapuram, Madras. The safes manufactured by the former firm have been favourably reported on by the P.W.D. and the Government has, in the marginally noted Proceedings approved of their supply to the Land Revenue and Registration Departments. The Board has also placed orders with Messrs A. Sankaralingam Asary and Brothers, Dindigul, for safes required for the Forest Department and Deputy Tahsildars' offices. In these circumstances the Board begs leave to enquire whether the omission of

1. Messrs Massey and CO.
2. Messrs Oakes and CO.
3. Messrs Borham and CO.

these firms from Appendix B to the Government of India Resolution so far as the supply of safes is concerned was intentional. No complaints have been received with regard to the work of these firms and the Board sees no reason why they should be deprived of the right to tender for the supply of safes. The Government would appear to hold similar views, for in G.O. NO. 3314 Mis., dated 10th August 1898 the Board has just been directed to call on Messrs Raju and Co, to send in tenders for the supply of safes to Deputy Tahsildars' offices. The Board would, therefore, recommend that safes and treasure-chests be as herebefore purchased from such of the local firms as may for the time being be able to turn out the most reliable articles for the lowest price; the duty of effecting such purchases being allowed to vest in Heads of Departments, subject, of course, to the advice and control of Government.

Order B.O. 2246 (no 589199)
19.8.98

In para 3 of the Government of India Resolution No. 2587 of 9.8.98, it is laid down that supplies of safes, treasure chests, and other articles of the descriptions specified in Appendix A to the Resolution, manufactured in India from imported materials, may be procured in India. Subject among others to the following restriction viz that in the Madras Presidency the firms permitted to tender for supply shall for the present be those listed below, the list being subject to revision from time to time.

- Messrs. M. S. & Co.
- Baker & Co.
- Barham & Co.

In the present case above, the Board observes that safes for Government officers in the Presidency have been obtained during the last two years mostly from the above firms but from others

such as Messrs D. Raju & Co and
 A. Sankaralingam Aary & Co.,
 that the safes manufactured by
 the former firm have been favourably
 reported on by the P.W. D. and
 that the Government was approved
 of their supply to the Land Revenue
 and Registrations Departments.
 The Board enquires whether the
 omission of these firms from the
 list appended to the Government
 of India Resolution so far as the
 supply of safes is concerned
 was intentional. As the list
 of firms in the Madras Presidency
 entitled to the privilege of tendering
 was furnished by the Public
 Works Department, ~~that~~
 the file may be sent to that
 Department for remarks. No
 complaints having been received
 with regard to the work of the
~~known or other~~ ~~known or other~~ firms,
 the Board states that there is
 no reason why they should be
 deprived of the right to tender
 for the supply of safes. and It
 recommends therefore that safes
 and treasure-chests may, as

heretofore, be purchased from
 such of the local firms as may
 for the time being be able to turn
 out the most reliable articles -
 for the lowest price, the duty of
 effecting such purchases being
 allowed to rest in "heads of
 Departments subject to the
 advice and control of Government."
 In para 4 of the G. I. resolution
 referred to, it is stated that
 "nothing in this resolution is to
 be taken as interfering with the
 discretion of local Government
 in regard to the employment of
 the agency of Government work-
 shops for the manufacture of
 articles required for the public
 service or as implying that
 tenders must be called for in
 all cases from the firms named."
 It is ~~not~~ ^{thus} clear that the list of
 firms ~~not~~ given in the list
 appended to the G. I. resolution
 is not complete and that tenders
 may be called for from other
 firms. It is submitted that the
 Board's recommendation may
 be approved. Secy. P.W.D. Madras
