GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble P. RAJARATNA MUDALIYAR, Diwan Bahadur, Inspector-General of Registration, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 23rd August 1898, G. No. 5278.

I have the honour to submit, for the orders of Government, a proposal made by the District Registrar of Gódvári to open a new Sub-registry office, in the Rámachandrápuram taluk, Gódvári district.

2. The registrations in the Rámachandrápuram Sub-registry office have been increasing year after year and reached, in 1897-98, the large total of 5,232 documents. The result is that there is unavoidable delay in the registration of documents, and parties are consequently

put to much inconvenience. With four permanent clerks and some temporary men sanctioned during months of heavy registration, the Sub-Registrar was unable to show, for 1897-98, a larger proportion than 11 per cent. of documents copied on the day of presentation, and no less than 62.6 per cent. of the documents was copied only after the third day. It is therefore necessary to relieve the Sub-Registrar of a portion of his charge and afford facilities to the registering public by opening another office at a convenient centre. With this view, the District Registrar proposes to constitute a new sub-district, to be designated the sub-district of "Draksharama", by detaching 10 villages from Alamur and 48 from Rámachandrápuram and locate the office at Draksharama, an important village in the Rámachandrápuram taluk, which was formerly the Head-quarters of a Tahsildar, and now contains a Post Office, a Union Office, and a Police Station. It is also a place of pilgrimage and is conveniently situated in regard to the villages proposed to be attached to it, nearly three-fourths of them lying within a radius of five miles. A list showing the distance of the villages is appended.

3. The effect of the proposals on the work of the existing and proposed offices is exhibited below :—

Average for three years.

	Registrations.	Collections.
		RS.
Alamur	3,025	4,156
Deduct 10 villages to be attached to Draksharama	442	613
Balance	2,583	3,543
Rámachandrápuram	4,403	6,344
Deduct 48 villages to be attached to Draksharama	1,586	1,851
Balance	2,817	4,493
Draksharama	..	..
10 villages from Alamur	442	613
48 villages from Rámachandrápuram	1,586	1,851
Total	2,028	2,464

There will be sufficient work for the new Sub-Registrar from the outset, while substantial relief will be afforded to the Sub-Registrars of Rámachandrápuram and Alamur, who will thus be able to register and return documents much more expeditiously than is at present possible.

4. The Collector of the district, who has been consulted, has approved of the proposals.

5. I have accordingly the honour to request that Government will be pleased to sanction the opening of the new Sub-registry office from the 1st October 1898, at an aggregate cost of Rs. 1,188 per annum, as shown below. The necessary provision has been made in the budget estimate :—

	Per mensem.		
	RS.	A.	P.
1 Sub-Registrar, 7th grade	30	0	0
1 Clerk	20	0	0
1 Do.	17	8	0
1 Do.	15	0	0
1 Do.	6	0	0
1 Peon	5	0	0
1 Nightwatchman and sweeper	5	0	0
House-rent	0	8	0
Contingencies	..	..	..
Total per mensem	99	0	0
Total per annum	1,188	0	0

The Sub-Registrar will draw the usual commission, amounting to Rs. 493 per annum, on the collections. The office will thus pay its way from the commencement, and the additional expenditure proposed will be more than recouped in the course of a few years by expansion of registrations consequent on the increased facilities afforded to the registering public.

6. A draft notification giving effect to the above proposals is submitted for approval and publication in the Fort St. George and Gódvári District Gazettes. The usual proposition statements in respect of the charges are also enclosed.

NOTIFICATION.

Under the provisions of section 5 of the Indian Registration Act, III of 1877, His Excellency the Governor in Council is pleased to direct that, from and after the 1st October 1898, the 10 and 48 villages hereinafter named, which now form parts of the registration sub-districts of Alamur and Rámachandrápuram, respectively, in the Gódvári district, be formed into and constitute a new sub-district to be designated the sub-district of Draksharama. The limits of the villages shall be the limits which shall, from time to time, be determined for administrative purposes.
