Sir

With reference to para 2
 of Government Order Miss no.
 2858 dated 7 July 1898, I have the
 honour to state that the amount
 required to meet the cost of the
 Establishment in question will
 be Rs 180. As the establishment
 required for this office is provided
 for at its minimum strength
 with reference to your official
 Memorandum

Memorandum No. 235 dated
6 November 1897, it is difficult
to foresee any savings in the
Inam Budget. Special allot-
ment is therefore requested
to meet the cost of the Establish-
ment which as already explained
may have to be continued for
a further period of than the three
months now sanctioned by Govern-
ment.

Sir,

With reference to your
Official memo. No. 176 dated

G.O. No. 2888 Rev.
D. 7 July 1898.

In 1892 the Govt sanctioned the entertainment of two clerks on Rs 20 each for 3 months for revising the quit rent on village service inams in the Gooty and Tadpatri talukas of the Anantapur District. The establishment was however only entertained in the current year, the provision for it being included in the sum of Rs 200 entered in the budget for 1898-99 under 3 D. Land Revenue - Inam Commissioner - Temporary Establishment in Districts. In July last the Revenue Secy sanctioned the retention of this establishment for a further period.

period of three months on the presumption that the necessary funds can be made available from savings in the Income Budget. The Income Commission finds it impracticable to do this and therefore now applies for special allotment in this case. As only Rs 120 are required this can easily be met from the sum of Rs 15000 surrendered by the Revenue Dept from the provision made in the current year's budget under S.C. Land Revenue - Local for raising the pay of Karamas. Draft order is submitted.
