period of one year from 1st October 1898 to complete the work in this taluk has just been submitted for the favourable consideration of Government. The Board observes that no progress in the preparation of title deeds was made during the month under review except in Ponnani, and that the number of deeds prepared in that taluk ^{was} ~~has~~ hardly adequate, having regard to the strength of the ^fpecial establishment. The Collector's attention will also be drawn to the fact that 9 of the ⁴ 11 items requiring settlement are still pending.
