Resolution

In Government Orders 5904 Rev. dated 17th November 1897 and 241 Rev. dated 15th January 1898, Government sanctioned the survey of the marginally-noted 5 villages in the Zamindari of Chunampet at the cost of the proprietor and notifications under Section 17 (a) of the Survey and Boundaries Act (IV of 1897) were published in Part I of the Fort Saint George Gazettes dated 23rd November 1897 (page 1448) & dated 25th January 1898 (page 55). In February 1898, however, the Zamindar represented that, owing to the prevalence of famine, he was unable to undertake the survey of all the villages referred to above

during 1898-99 and requested that the survey of Chunampet ^{alone} ~~have~~ might be undertaken during that year. The Board recommended that the notification regarding the other villages should be held in abeyance and the Government accepted its recommendation (Vide G.O. Misc. No. 2331, dated 1st June 1898).

In the two petitions forwarded with the survey Superintendent's Endorsement, read above, the Zamindar asks that the survey of the four villages noted in the margin may be undertaken during the current year as soon as that of Chunampet is over. On receipt of the first petition, the Board requested the Collector of Chingleput to ascertain and report whether the survey of these four villages should have precedence over the four originally notified. From the Zamindar's reply forwarded with the Collector's Endorsement read above, it appears that it is his desire that the survey of the villages last mentioned should be carried out before any steps are taken to survey the villages of Porur, Vilangadu, Kokkirantangal and Bridur. The Collector has no objection to this procedure, and the Board accordingly recommends that it be adopted.

3. The following draft notification is submitted for approval and publication in the Fort Saint George Gazette:-

"Whereas the Zamindar of Chunampet, in the Chingleput district, has submitted an application to Government for the survey of the four villages noted in the margin and has consented in writing to defray the whole cost of such survey, His Excellency the Governor in Council, in exercise of the power vested in him by section 17 of the Madras Survey and Boundaries Act (IV of 1897) hereby directs that the survey of the said villages shall be undertaken and conducted by the Madras survey Department in accordance with the provisions of the said Act".

5. As the survey of the Chunampet village is rapidly approaching completion, the Board requests that the orders of Government may be communicated to the Collector direct in order to prevent a breach in the employment of the survey party now at work.

At the request of the Zamindar of Chunampet, in the Chingleput Dt, the survey of the marginally noted 5 villages situated in the Zamindari was undertaken by Govt and the necessary notifications published in the Gazette. The work was put in hand this year, but on the representation of the Zamindar that famine was prevalent in those parts, this year's operations were ordered to be restricted to the village of Chunampet, the survey of the remaining villages being deferred.

The Zamindar now requests that orders may issue for the survey of 4 other villages with an aggregate area 3.59 sq miles being under

taken ^{up} at once and proceeded with in continuation of the Survey of Chumampet which is reported to be approaching completion. The Zamindar has consented in writing to defray the whole cost of the Survey, and the Board of Rev forwards the necessary draft notification for publication in the Gazette.

As regards the ^{remaining} 4 villages of the first batch the Zamindar states that it will take a few months more to have stones ready for them. He therefore requests that the Survey of the 4 villages now recommended may be proceeded with at once.

The Budget of Survey is prepared to undertake the work during the current year, and the Collector and the Board support the proposal.

A draft order approving the Board's recommendation is submitted on a separate sheet below.
