Note

Please see the office note under
G.O. no 3757 dated 16-9-98. It is doubtful

whether as rule 11 stands a cultivator can sell
intoxicating drugs to any one who is not a
licensed vendor. It is thought, however, that
the question need not be considered
until it is raised by some one.

Proceedings of the Board of Revenue

(Separate Revenue),

Dated 6th October 1898.

Mis. No. 3268.

Read Endorsement of Government, Revenue Department, Mis. No.

3727, dated 16th September 1898.

Resolution.

With its endorsement Mis. No. 3727, dated 16th September 1898, Government transfers to the Board a letter from the Medical Storekeeper requesting that he may be supplied with ganja by the Abkari Department direct or that orders may be issued for simplifying and expediting the method of procedure in regard to supplies to his depot and observes that every facility not inconsistent with the Intoxicating Drug Rules should be afforded for its supply to that officer. The Intoxicating Drug Rules do not admit of the issue of hemp drugs duty free and evidently it is the intention of Government that duty paid ganja should be supplied. The Board has, in a similar case declined to sanction the issue of salt duty free to the General Hospital vide Board's Proceedings Mis. No. 4447, dated 11th October 1897.

3. The Medical Storekeeper will be requested to indent on the

Collector of North Arcot for the quantity of ganja required from
time to time. The collector will then arrange for purchasing the
drug from the cultivators through the Officer in charge of the
Kaniyambadi Storehouse, the Medical Storekeeper bearing all the
expenses. The consignments should be carefully packed and despatch-
ed to the address of that officer.

3. The Collector of North Arcot is requested to see that supplies
are promptly made to the Medical Storekeeper.
