Read letter from J. Hesketh Biggs Esquire, Accountant-General to the Government of Madras, dated 19 September 1898, No. 4358 stating that the formal sanction of Government is

Ref.
Forest No 374, dated 29 September 98.

In its Proceedings read again above the Board communicated to the Special Forest Settlement Officers the order of Government conveying the sanction of the Secretary of State for their retention for a further period of two years, viz, from 1st April 98 to 31 March 1900. The Special Forest Settlement Officers having brought to the notice of the Board that the Accountant-General has objected to the disbursement of the pay of their Establishments apparently for want of special sanction of Government, the Board invited that Officer's attention to para 6 of B.P.F. No. 44 dated 31st January 1898 which refers to the budget provision made for the Establishments of such officers in anticipation of their retention being sanctioned by the Secretary of State. It at the same time pointed out that although the telegram from the Government of India conveying the Secretary's of State's sanction apparently referred to the officers themselves, the retention of the Establishments was clearly contemplated when the application was made for sanction to retain the officers themselves.

Please see the Secy of State's sanction in G.O. 29257 12.7.98 B.

In G.O. 88 15.2.98 A

Please see note i to Art 156 at p 58 of the Civil Account Code.

G.O. 88 15.2.98 A.

2. The Accountant-General states that the formal sanction of Government for the continued employment of the Establishments is indispensable on the ground that provision in the budget for certain expenditure is no authority for its payment. The Board did not overlook this view of the question, but regarded the correspondence, read as a whole, as constituting a virtual sanction of the employment of the Establishment applied for in B.P. No. 44 dated 31. 1-98. Should the Government agree with the Accountant-General the Board requests that separate sanction may now be accorded for the retention of the Establishments in question until 31st March 1900. The scale for each office is as follows:-

Establishment.	Scale of pay.
	Rs.
1 Clerk	50
1 do	25
1 do	20
1 attendant & Munchi	14
1 buffader	11
5 Pems at Rs 8 each	40
1 Macaleli	7
	Total 167.
