JUNE.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 16 of the Forest Act for the constitution of the Kadalúru block, in the Rayadrug taluk, Bellary district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Bellary (through the District Forest-officer, Bellary), dated Camp, Bezwada (Nandigáma), 31st January 1899, Ref. on Cur. No. 386:—

I have the honour to report the conclusion of the settlement of the proposed Kadalúru reserve in the Rayadrug taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at pages 1079-80, *Fort St. George Gazette*, dated 24th August 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 4th December 1897. The time allowed for the presentation of claims expired on the 4th March 1898.

3. I was originally appointed to settle this block and during my absence on privilege leave M.R.Ry. P. S. Singáravélu Pillai Avargal was appointed Settlement-officer. In notification published at page 992 of the *Fort St. George Gazette*, dated 18th October 1898, the block was retransferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in June 1898 and twenty-two claims were preferred for the following rights:—

(i) Six claims to rights of way.

(ii) Eight claims to Government patta and inam fields.

(iii) Eight claims to rights of way to fields.

The claims to rights of way involved in item (i) were all admitted, and the Local Fund road included in one of the claims has been excluded from reservation to a width of twenty-two yards on either side from its centre. The eight claims to Government patta and inam fields involved in item (ii) were admitted. The fields in four cases have been acquired under the Land Acquisition Act; those in one case have been demarcated out and retained as enclosures within the reserve free from reservation; while those in the remaining three claims have been excluded by an alteration of the boundary of the reserve. Of the eight claims to rights of way to fields involved in item (iii), one claim was admitted and the remaining claims were rejected as unnecessary.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

(i) A signed copy of the B. Register of claims.

(ii) The draft notification under section 16.

(iii) The sketch-map of the reserve.

(iv) The numerical statement of claims filed and disposed of.

7. The date from which reservation is to take effect has to be inserted in the draft notification.

Reserved Forest.

The draft notification, under section 16 of the Madras Forest Act, for the constitution of the Kadalúru block in the Rayadrug taluk as a —, ordered to be published in the Fort St. George and the Bellary District Gazettes.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Proceedings of the Board of Revenue (Land Revenue), Forest No. 242, dated 10th June 1899:—

Read—the following letter from E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Bellary (through the District Forest-officer, Bellary), dated Camp, Bezwada (Nandigáma), 31st January 1899, Ref. on Cur. No. 386:—

I have the honour to report the conclusion of the settlement of the proposed Kadalúru reserve in the Rayadrug taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at pages 1079-80, *Fort St. George Gazette*, dated 24th August 1897, and the proclamation under section 6 of the Act was published in the District Gazette, dated 4th December 1897. The time allowed for the presentation of claims expired on the 4th March 1898.

3. I was originally appointed to settle this block and during my absence on privilege leave M.R.Ry. P. S. Singáravélu Pillai Avargal was appointed Settlement-officer. In notification published at page 992 of the *Fort St. George Gazette*, dated 18th October 1898, the block was retransferred to me for settlement.

4. The block was inspected, perambulated and enquired into by me in June 1898 and twenty-two claims were preferred for the following rights:—

(i) Six claims to rights of way.

(ii) Eight claims to Government patta and inam fields.

(iii) Eight claims to rights of way to fields.

The claims to rights of way involved in item (i) were all admitted, and the Local Fund road included in one of the claims has been excluded from reservation to a width of twenty-two yards on either side from its centre. The eight claims to Government patta and inam fields involved in item (ii) were admitted. The fields in four cases have been acquired under the Land Acquisition Act; those in one case have been demarcated out and retained as enclosures within the reserve free from reservation; while those in the remaining three claims have been excluded by an alteration of the boundary of the reserve. Of the eight claims to rights of way to fields involved in item (iii), one claim was admitted and the remaining claims were rejected as unnecessary.

5. The reserve is thus free of all rights except those stated above.

6. The following are submitted herewith:—

(i) A signed copy of the B. Register of claims.

(ii) The draft notification under section 16.

(iii) The sketch-map of the reserve.

(iv) The numerical statement of claims filed and disposed of.

7. The date from which reservation is to take effect has to be inserted in the draft notification.
