draft notification submitted by R. Morris Esq, AG.
READ— Collector of Kistna, R.C. NO. 3948 Genl. of '98, dated 10th September
1898.

Reference No. 098 dated 29th September 1898.

The Board begs leave to submit for the approval of Govern-
ment and publication in the Fort St. George Gazette, a draft noti-
fication for the acquisition of 1.73 acres of land in Bhadrirazu-
palem, a hamlet of Vallur, Pezswada Taluk, Kistna District.

2. The land is required for assignment to the panchamas of the
village in exchange for their house-sites taken up for the Kist-
na left embankment. The Collector reports that the panchamas have
been rendered houseless and are unable to make their own arrange-
ments for securing fresh sites.

3. The Collector reports that the cost of the acquisition can
be met from the amount (Rs 338-4-11) awarded for the sites taken
up, now held in Revenue Deposit and proposes to hand over to the
occupants the balance left, if any, after meeting the cost of the
acquisition. To this proposal the Board demurs, for, a portion of
the sum specified presumably represents compensation for build-
ings and the late occupants are entitled to receive it at once.
It would, in the Board's opinion, be unfair to deprive them of any
portion of the compensation except that which was awarded on ac-
count of the value of the land. To this, Government has an equitable
claim, if it arranges to provide a new site in lieu of that
taken up.

Note. With reference to the Secy's remarks on the current, I respectfully submit that the point whether Govt had declared Kistna as one of the districts in which it is customary for Govt to provide village sites, was considered before the draft was submitted. I put up the draft only after reading myself, after reading C.O. 95, that the district had been notified. The point was, however, not noted on as the draft proposed that no pass final orders, but only called for RS.
22-10-98

But you must satisfy me and yourself. I have repeatedly told you that references must be complete.
