# Proceedings of the Board of Revenue

(Separate Revenue),

Dated 5th September 1898

Mis. No. 3565.

Read letter from J.P. Bedford Esquire, Deputy Accountant-General to the Government of Madras, No.I.A.C.M/106, dated 15th August 1898, requesting to favour him with the orders under which officers are placed by the Board on deputation#.

# RESOLUTION:-

In the letter read above the Accountant-General requests that he may be informed of the authority under which the Board has ordered a Sub-Inspector of the Central Division to do duty temporarily in the Abkari Deputy Commissioner's office pending receipt of the sanction of Government to the increased establishment applied for for that officer.

2. It is impossible with such an establishment as that under the Board's control to so adjust the work that each man shall have a full day's work all the year round in his proper appointment and no more. It is in the nature of things for the amount of Salt and Abkari work in particular localities to vary from time to time and the only means the Board has of adjusting matters

4  
is to make temporary transfers as occasion arises from places  
when the work for the time being is light to those where it is  
heavy. It has accordingly been its practice hitherto to make  
such transfers when necessary and the practice has up to date  
passed without objection.

3. If such temporary transfers are to be regarded as de-  
putations they, clearly, are not sanctioned by any rule, and the  
Board is therefore unable to answer the Accountant-General's re-  
ference without troubling Government in the matter. It therefore  
requests instructions as to whether such transfers are to be re-  
garded as formal deputations requiring the sanction of Government  
in each instance, and, if so, whether Government is willing to permit  
the Board to continue to make them as heretofore subject to formal  
report and confirmation after the event.

4. The necessity of the transfer in the present instance arose  
from the fact that the Abkari Deputy Commissioner takes over the  
check of the wash and stock-taking statements from the current  
quarter and has at present only a single clerk to assist him.

*Col. S. George,*  
Accountant General's Office,  
3<sup>rd</sup> October 1898.

Forwarded with the remark that as such  
transfers are of the nature of temporary re-  
of Establishment, the sanction of Government  
is necessary in each case under Article 57 of the  
Civil Account Code. If Government so desire,  
the delegation to the Board of Revenue of the power  
to sanction such transfers will be included in  
the list of such cases requiring the confirmation  
of the Government of India, which this Office  
is preparing agreeably with Government Order No. 14  
Financial dated 8<sup>th</sup> January 1897.

From The Board of Revenue (Sep. Rev.)

Mis. No. 3565 Dated 5.9.98 (C. No. 7089) 189-  
with the A. G's Encl. No. 4518 d/3.10.98  
FOR ORDERS.

To Secy.

As the amount of executive work in the Salt and Abkhari Department varies from time to time in particular localities, the Board has been without question adjusting matters by making temporary transfers. The Accountant-General regards <sup>such</sup> transfers in the light of "temporary" "revisions of establishment" requiring "the sanction of Govt in each case." The question for consideration is whether the Accountant-General's view is correct, and whether in that event, the power to sanction the transfers may be delegated to the Board. A list of

2. A list of proposed delegations is under preparation in <sup>the A. G's</sup> his office for

Submission to the Govt of India,  
 that officer has no objection to the  
 and the ~~Accountant General~~  
 inclusion of ~~the~~ case in the list, if the Govt.  
 proposes to include the case  
 in that list. It appears desirable  
 that he should do so, in order  
 to obviate merely formal  
 correspondence between the Board and  
 Govt.
