MA To us

The Board of Revenue submits for sanction a proposal made by the Collector of Malabar to put up a compound wall round the Sub-collector's office, Tellicherry, so as to make the building more secure and to prevent cattle from straying into the office premises which are within a few yards of one of the main streets in Tellicherry on one side and of a public Commission on another. At the Collector's request, ~~then~~ ^(12,500) an estimate for the construction of the wall was prepared by the Executive Engineer, but the Superintending Engineer took exception to it, apparently on the ground that the estimate exceeded Rs 500 and as such the sanction of Govt was required to its preparation, as directed in J.O. 2006 W d 7. 10, 92. The restriction imposed by the latter order.
