The Settlement registers of Tanjore are being printed at a private press in Madras and those of the Malabar Wynad at private presses in Malabar. The bills paid up to the end of August last on account of the printing of Tanjore registers amount to Rs. 6,045. The work is now being pushed on vigorously, and it is estimated that during the remaining months of the year the cost of printing these registers will come to nearly Rs. 14,000. The printing of the Wynad registers was begun this year, and the charges on this account during the current year are estimated to amount to Rs. 2,000. The revised estimate for the year is accordingly fixed at Rs. 22,000. The budget estimate for 1899-1900 provides for printing the remaining registers of Tanjore and the Wynad and the registers of Trichinopoly.
