THE SECRETARY TO GOVERNMENT,
REVENUE DEPARTMENT,
MADRAS.

SIR,

In reply to G.O. No 3492 — Miscellaneous, Revenue, dated 26th August 1898, the enclosures to which are returned, I have the honor to report that the land applied for by Rajah Sir Savalai Ramasawmy Mudaliar to put up permanent sheds to feed the poor and destitute of all classes, is Government property forming part of Survey no 671 in the Vepery Division. It was in the occupation of the Electric Tramway Company, which vacated it on the 15th July last, and it is now vacant. Neither the President, Municipal Commissio nor I see any objection to its tra for the purpose contemplated

market value is reported to be Rs 2,500 at Rs 500 a ground, but the Deputy Collector considers it too high, and values it at only Rs 300 a ground. No sales have taken place in the locality and it is impossible to check the above valuation by local enquiry. I think Rs 300 is if anything low, but may be accepted under the circumstances.

I have the honor to be,
Sir,
Your most obedient servant,

J. N. Atkinson
Collector.
