Office of the Board of Revenue
(Land Revenue)
Madras, dated 7th October 1898.

Read letter from A.W.B. Higgins Esq., Collector of
Tinnevely to the Secretary to the Commissioners of Land Revenue,
Madras, Ref. on Cur. No. 1663-G1. Rev., dated 27th September 1898.

-----:o:-----

Reference No. 1131 dated 7th October 1898.

In his letter read above the Collector of Tinne--
velly requests sanction for continuing up to 31st March 1899 the
establishment sanctioned in G.O. No. 2540 dated 16th June 1898 for
a period of 5 months from the 1st May to 30th September 1898 for
the purpose of protecting the Pearl banks at Tuticorin. Lieutenant
Brown, the Ag. Superintendent of Pearl Fisheries is of opinion that
the Pearl banks require careful watching until the fishery takes
place, which is expected to ~~come off~~ ^{be} within one or two years. The
Collector, having discussed the matter with the Superintendent,--
states that the hiring of a canoe is really required for watching
the ^{Southern} ~~southern~~ banks near Pinnakoyil and Tiruchandur where the fisher-
~~men~~ ^{men} are always a source of trouble and that the movements of fish-
ing boats in that neighbourhood can be more constantly and effec-
tually watched by the canoe than by the occasional visits ^{of} the
"Irene" which can more advantageously be left to work continuously
on the northern banks near Tuticorin. The Collector has accord-
ingly authorized the Superintendent to keep on the canoe and its
crew after 30th September 1898 and the Board recommends that his
action may be approved.

2. The expenditure can be met from savings under ---
"32-D Mis.- charges on account of Pearl fishery".
