(a) The budget and revised estimates have been based on the actuals of the first five months of 1898-99 which amount to Rs. 2,302 and on the average of the three years ending 1897-98 which amount to Rs. 16,185.

(b) The budget and revised estimates are based on the actuals of the five years ending 1897-98 (namely, Rs. 15,649) and on those of the first four months of 1898-99 (namely, Rs. 8,760) as furnished in the monthly statement of charges received from the Accountant-General, Madras. The sanctioned estimate represents the amount fixed by the Board with reference to the actuals as shown in its treasury accounts. As refunds are also made by Collectors and such payments appear only in the accounts of the Accountant-General, the revised and budget estimates have been framed, as instructed by the Accountant-General, so as to provide for the refunds granted by the Collectors also. The actuals under this head as shown in the statements received from the Accountant-General have been as follows:—

1893-94	Rs. 12,021
1894-95	17,111
1895-96	10,629
1896-97	15,802
1897-98	22,621
First four months of 1898-99	8,760

(c) The provision in the revised and budget estimates has been reduced in view of the arrangements made by the Board for the concentration of printing so far as is possible in Madras.
