Salem Collr.'s Office,

D. O.

Dear Sir,

I have no assistant
a Deputy Collector at head quarters to help me with routine work. The Head Quarter Deputy has enough to do with his division work, and the Treasury Deputy with the Treasury. As plague preventive work is likely to more than ever require my absence from head quarters I require, if Govt. see fit,

help at headquarters
to carry on the Office
routine. Plague
correspondence and
inspection occupies
a good half of my
time now and as
far as I can see it
is likely to increase.
The Temps Deputy-
Collector Gopalswamy
Iyer will be relieved
shortly at Tiruppalai
by Burn and I
might suggest that
he should be
appointed to Head
Quarters.

At any rate I
hope Govt. will be
pleased to give me
some assistance.

Yours sincerely
Ronald Ridley

D.O.C. No. 164

From the Acting Collector of Salem

Dated 8th October 1898.

FOR ORDERS.

To Under Secy

Mr Clegg, the acting Collector of Salem, requests that to attend to the increasing correspondence and other work connected with the plague, an additional Deputy Collector may be posted to the Head Quarters of the district or at any rate "some assistance" may be given him. He also suggests that MRR. T.V. Gopalaswami ayyar, who will shortly be relieved of the H.Q.s division may be allowed to ~~be~~ & appointed to Head Quarters. The additional officer it will be seen is asked for not for plague duty but on account of the increase, mainly, of correspondence due in connexion with

with the plague. It may also be mentioned here that Gopalaswami Aiyar has since been posted elsewhere (viz. to Kurnool).

Ley

Rev has no information as to whether plague work is so heavy in Salem as to justify the appt of an addl. Dy Collr to assist the Collector with his routine work. Other might perhaps be asked. Salem is not reputed a heavy district

12.IX.98

Salem is a light district as the Coll. says. I think he able to manage without an addl. D.C. at any rate for the present. Lo H. knows however about the heaviness of the plague work.

Lo Rev

No addl. Dy Coll. may be appointed. T. V. Gopalaswami Aiyar is not in danger to Kurnool now. He is not wanted in Salem at present.

Intelligence will be sent to T. V. Gopalaswami should hard pressed. Yes. The plague work is increasing.
