Dated 7th September 1898.

Ag. Collector of Leuddapah.

To

The Drain Commissioners,
Madras.

Sir,

With reference to your letter Reference on Bureau
No 249 of 96 dated 22nd July 1898, I have the honor

to state that the quit rent on the entire drain was
first calculated after deducting godi and excess
charge, and to the quit rent so arrived at, the godi and
excess charge were added, and the gross amount was
then distributed among the several Title Deeds.

issued to the several groups of enjoyers. It states
showing how the calculation was made is enclosed.
I find from your letter under reference the process
of deducting the excess charge and godi first
and adding it to the quit rent fixed, has been
followed with regard to each Title Deed separately.

I am, Sir, very respectfully,
Yours obediently,
D. S. S. S.

According to this method, which appears to be the one followed in the calculations given in Inam Fair Register, the quit rent is altered only on Title Deed No 832, as observed by you.

2. One of the holders of the Inam covered by Title Deed No 832 who is also the Karmam of the Village consents to the revision of the quit rent, if the proportionate quit rent of the assessment of Rs 0-14-4 on SN 166 is only added to the existing quit rent, but not otherwise. The other Inamdar is reported to have died and the whereabouts of his son are not known.

escaped enfranchisement at the Inam Settlement of 1880, the then Karmam having omitted to include the field in the list of Village Service Inams. Certain other Karmam Inam fields were enfranchised and Title Deed No 832 issued for the same, in the names of the present Karmam and another. It is reported that the former has been in the enjoyment of the field in question for the last 20 years as the Karmam of the village. The fact was discovered by the Revenue officers in 1896 and the collector then recommended the resumption of the Inam, as in his opinion, the omission to include the field in the statement filed at the Inam Settlement and the subsequent free enjoyment by the present Karmam without bringing the fact to the notice of the authorities was fraudulent. Mr H. M. Winterbottom, the Aq. Inam Commissioner, took a different view of the case and thought that the field should be enfranchised with the sanction of Government. The collector was then called upon to submit the explanation of the Karmam as to the circumstances under which the field was not claimed as Inam in 1880, though he had been subsequently

Subsequently enjoying it as such. The Karnam
stated that, in Fasli 1298-99 he brought the facts
to the notice of the authorities who ordered him to enter
the field in the Village B Registers, without noting any
Title Deed No against it. There, however, appears to be
no record either with the Karnam or in the Taluk
Office in support of the Karnam's allegation. The Collector
reports that the entry of the field in the B Registers
should have attracted the attention of the Taluk
Office when checking the registers at the annual Jaina
bandy, and that, owing to lapse of time it is now difficult
to fix the responsibility for this mistake on any parti-
cular person. He also states that one of the holders
of Title Deed No 832 has consented to the revision of
~~Title Deed~~ the quit rent, provided that the proportionate
quit rent on the assessment of the field only (ie 5/2 of Rs 14-4)
is added to the existing quit rent of Rs 28. The Collector
likewise reports that the whereabouts of the other demanders
are not known.

3. As the field in question would have been included
in Title Deed No 832 but for the omission above-mentioned,
the field, in the opinion of the undersigned, be treated as a

separate case. Sanction is, therefore, requested for
the inclusion of the field as a Village service diam
and for the issue of a revised Title Deed with a quit
rent of Rs 29, the Title Deed already issued being cancelled.
